ACKNOWLEDGEMENTS

The author expresses his deep sense of gratitude to Dr. S.S. Nigam, Ph.D. (Saugar), Ph.D. (London), D.I.C., F.R.I.C., F.N.A.Sc., Head, Department of Chemistry, under whose guidance the work has been completed. His absorbing interest in the investigations, timely suggestions and useful discussions encouraged the author to pursue the problem.

The author is grateful to the Ministry of Education, Government of India, for the award of a research scholarship to him for the investigations.

Thanks are also due to Mr. P. Subbarao, Officer in-charge, Regional Laboratory, Visakhapatnam; Dr. A.V.S.S. Ramarao formerly Professor of Biochemistry, Visakhapatnam; Dr. B. Sadasivudu, Professor of Biochemistry, Andhra Medical College, Visakhapatnam and to the Director, Regional Research Laboratory, Hyderabad, Andhra Pradesh for their help.
