ACKNOWLEDGEMENT

The investigator wishes to express her respectful thanks and gratitude to Dr. A. K. Banerjee, Professor for his valuable advice, guidance and supervision during planning and execution of the research programme and preparing the manuscript.

The researcher intends to offer her sincere thanks and gratitude to all the teachers and staff of Physical Education, Department of Kalyani University for their encouragement and help.

Thanks are due to the female students of B. Ed course (1994-95) of Kalyani University, who volunteered themselves as the subject to this study and took all the trouble for my endeavour.

Dr. N. Sengupta, Dr. S. Das, Mr. B. Mandal and Mr. Z. Alam deserve hearty appreciation for their help and co-operation during conductance of the tests and collection of data.

The investigator offers her sincere thanks to librarian, Department of Physical Education, Kalyani University and to Sri Debasish Mukherjee, Jr. Assist. librarian, University of Kalyani and the incharge, review section, Bose Institute, Calcutta.

Sincere thanks are due to Laser Tech Computer, Kalyani, Nadia, for undertaking the task of printing this thesis.

Last but not the least, the investigator owes very much to her family – her husband Ashis, and their only son, Aritra who were deprived of her loving association for long hours over a long period of the investigation, during which they shared the burden of the researcher smilingly.

Kalyani,

December 1997
