ACKNOWLEDGEMENT

“With god”s grace, even impossible things can be made possible. If you have faith in god, you can walk even on water. God”s method of work is extraordinary, invaluable and inscrutable.”

First of all, I sincerely acknowledge my gratitude to “Lord Gajanana” for his compassion and bountiful blessings that directed me in the right angle, sculptured me appropriately and made me to see this wonderful moment.

I express my honest and heartily deepest gratitude to my respected research guide, teacher and mentor Dr. Rajendra P. Pawar Associate Professor & Head, Department of Chemistry, Deogiri College, Aurangabad whose consistent encouragement, fine observations, patience and lovely guidance in the completion and compilation of this work. I thank almighty for giving me an opportunity to work under his expert guidance and constant encouragement. His wealth of experience has brought a new perspective to the present study.

I sincerely acknowledge Dr. Mahesh V. Patel, Director, Wockhardt Research Centre Aurangabad for giving me an opportunity for the research work. I owe my permanent debt to Dr. Ravindra D. Yeole, Associate Director- Wochardt Research Centre, who permitted me for research work, their encouragement and valuable guidance during my research work.

The work would not have been completed without the help of our research group Dr. Kiran K. Karat, Dr. Satish A. Dake, Satish U. Deshmukh, Vinod V. Thorat, Rameshwar R. More, Dr. R.B.Navale, Dr. C.S. Patil, Dr. S.R. Bembalkar, Dr. M.V. Kataria, Dr. S.U. Ubale, S.U. Tekale and S.U. Tekale.

Acknowledgements are due to all members of teaching and non-teaching staff of Chemistry Department, Deogiri College, Aurangabad for their timely help and moral support during the research work.

I am thankful to my brother Dr. Rajendra P. Marathe and brother in law Prof. S. J. Nandre for their encouragement and valuable guidance. I am heartly thankful to my teachers N. N Ahirrao, S. J. Bhadane, J. U. Patil, Dr. N. M. Khose, C. D. Patil, R. N. Patil Yogesh Korade for their valuable guidance. I am always inspired by my elder brother Dr. Prashant Ahirrao. I am also thankful to my colleagues Kiran Patil, Vipul Rane, Vishwajit Kulkarni, Ashok Jadhav, Rajiv Jadhav, Mahesh Surwase,
Dattatray Wani, Mayure Pingle, Manoj Jadhav and Dr. Atul Bhartiya for their co-operation and support.

I am deeply grateful to my beloved parents, who have contributed and sacrificed a lot for me to accomplish this stage and always remain sole source of inspiration in my life to achieve higher goals. I also thank to my brother Pramod, sister Manali and Varsha for their prayers, love and support without whom good wishes I could not have completed my research work.

Word is not enough to express my deepest admiration to my spouse Seema, for all the sacrifice she has made regarding my entire program, but for her trust and belief in me and above all. My love also goes to my daughter Ishwari for giving me pleasure and fun in spare time.
