ACKNOWLEDGEMENT

Needless to say that I could not have thought to complete this enormous task of research without the grace of great God and blessings of my elders and my parents, whose sincerity, honesty and valuable teachings have been perennial source of inspiration for me.

I am also thankful to Library Staff of department of Business Administration for providing selfless services for my work.

I owe debt to Dr J P Majmudar, Dean Faculty of Management whose morale support and blessings made it possible for me to complete the research.

My special thanks to my husband and other family members because of their support I can complete the research work without any obstacle.

Sincere thanks to all the industries who served as the respondents for this Research.

Many of friends have been instrumental in completing this research knowingly or unknowingly. I fail to pinpoint any one, nay, I might miss out somebody. I owe my complete progress to those innumerable friends who have played a significant role in my career and life. I cherish their unnamed contributions.

A shower of gratitude from bottom of my heart on my guide Dr. A. Kumar, Professor, Faculty of Management, Bhavnagar University, whose valuable guidance at every stage made it possible for the research to be completed in the desired shape and time.
