ACKNOWLEDGEMENT

I express my deep sense of gratitude to Dr. S.K. Mishra, Reader, Department of Bioscience, Ravishankar University, Raipur M.P. who very kindly accepted to associate himself in the supervision of the research programme. I am highly indebted to him for suggesting the research problem and pursuing the progress of the work through intensive care and guidance, and for his kind and affectionate treatment during the period of the research programme.

I express my sincere gratitude to Prof. S.S. Ali, Ph.D., F.B.S., Head of the Department and Dean, Faculty of Life Science, for providing laboratory facilities and constant encouragement.

I express my gratitude to Dr. V.K. Jain, Chief Analyst, Directorate of Geology and Mining, Govt. of M.P., Raipur for providing the facility of Atomic Absorption Spectrophotometer and helping in water analysis.

My special thanks go to faculty members of Bio-science Department, Dr. M.L. Naik, Dr. V. Rai, Dr. A.K. Pati, Dr. A.K. Gupta, Dr (Mrs.) A. Poddar, Dr. C.B.K.S. Prasad, Dr. S.C. Naithani, Dr. R. Pradhan, Miss Nibha Gupta and Miss Vijaya Kapade for timely help and suggestions.

My heartfelt thanks to my colleagues, Miss Sharmila Choubey, Miss Sangeeta Shukla, Miss Paromeeta Ghosh and Miss Usha Kasibhatla who helped me in every possible way through out my research work. I am also thankful to other senior and junior research fellows of other laboratories for their willing co-operation.
Thanks are also extended to the supporting staff of Bio-science Department for their unreserved help.

Last but not least, I acknowledge my gratitude to my parents for their inspiration and moral support, and brothers Sanjive and Sandeep, for their ever available help.

Tamali Guha
