ACKNOWLEDGEMENTS

A formal acknowledgement will hardly meet the ends of justice in the expression of my deep sense of gratitude and obligation to all those who helped me in completion of this research. This research is the result of the guidance, assistance and inspiration of several people throughout the study.

Above all, with all humility, I would like to thank God, the almighty, the compassionate, who bestowed me with health and courage enough to reach at this crucial juncture.

I express my heartfelt gratitude to my research supervisors, Dr. Vinay Kumar Gupta, Associate Professor, University College of Engineering and Dr. Ashok Kumar Dham, Professor, Department of Physics, Punjabi University, Patiala, for their valuable suggestions, inspiring guidance and all out support in producing this thesis from the conceptual to completion stage. It is their profound subject knowledge that they infused in me and their perpetual guidance and scrupulous efforts, which ultimately led this research work see the light of the day.

I am highly thankful to Dr. Manjit Singh Patterh, Head, University College of Engineering, Punjabi University, Patiala for granting permission to join Ph. D. in Faculty of Engineering at Punjabi University, Patiala and extending whole hearted support for smooth progress of the Ph. D. work.

I am also indebted to Dr. I.P.S. Ahuja, Dr. Tejeet Singh, Mr. Balraj Saini and Mr. Ravinder Dwivedi for their guidance, support and helping me in the completion of this study through their valuable comments.
I am also grateful to colleagues and seniors at Rayat Institute of Engineering and Information Technology, Railmajra for their constant encouragement and providing help in one way or the other during various stages of the study.

I am profoundly grateful to my friends Bhajneet Singh, Samandeep Singh, Manish Garg, Ashwani Kumar, Navneet Singh, Vipin Khurana and Amish Pal Singh. I deeply acknowledge their valuable support extended during the completion of this work.

My special thanks are due to my family, who has stood firmly beside me in all my endeavors and activities. Their unquestioned faith and unstinted support in me has been one of the foundations of all my research work. I appreciate the affection, care, generosity and support, which I have received from my family; it is truly invaluable. Their constant encouragement helped me throughout the research work.

I can’t ignore the fact that all the members of my family, relatives and friends were extremely co-operative and enhanced my strength in more than one way.

DHARMPAL DEEPAK
