"Verily with Allah is full acknowledge
He is acquainted"

Allah, the almighty is acknowledged most for the courage, zest, dedication, determination and infuse me the strength and concentration to embark on and accomplish this research work.

The inspiration, enthusiasm and passion of attaining higher education is the outcome of the massive contribution of my mentor who always remained inclined to erect my glimmering future and backboned the hope of mending an extremely scintillating career. And this thesis is the complete reflection of her efforts. I have been fortunate enough to receive the prudent guidance and expertise of Dr. Sanjula Baboota supervisor, whose admirable support and encouragement make my thesis work sufficiently commendable. I am highly indebted to her useful comments, timely guidance and patient supervision during the course of research.

I feel pleasure in expressing my sincere thanks to my co-supervisors Dr. Alka Ahuja and Prof. Mushir Ali and Head, Department of Pharmaceutics, Prof. Asgar Ali for their erudite guidance and timely suggestion. I shall always be indebted for their valuable support and encouragement.

I express my sincere thanks to our vice chancellor, Dr. G.N. Qazi and Dean, Faculty of Pharmacy, Prof. Rasheeduzaffar, for their guidance and for providing all the facilities and infrastructure to successful completion of my project.

I extend my boundless thanks to Late Hakim Abdul Hameed Sahib, Founder and Former Chancellor of Jamia Hamdard, whose constructive visions in education and research got institutionalized in Jamia Hamdard.
I am highly grateful to Council for Scientific and Industrial Research (CSIR), India (File #09/591 (0107)/2011-EMR-I) for providing the fellowship for the Ph.D. program in Pharmaceutics.

I am very much indebted to Dr. Javed Ali and Dr. Jasjeet Kaur for their critical evaluation, suggestions and encouragement during the whole course of the work.

I take this opportunity to thank gratuitously Prof. R.K. Khar, Dr. Aqil, Dr. Farhan Jalees Ahmed, Dr. Yasmin Sultana, Dr. Sushama Talegaonkar, Dr. Zeenat Iqbal, Dr. Kanchan Kohli, Dr. Saima Amin, Dr. Sayeed Ahmad, Prof. Suroor Ahmad Khan, Prof. K. K. Pillai and Dr. G.K Jain for their kind co-operation and moral support.

I had the privilege to work with Dr. Aseem Bhatnagar at Institute of Nuclear Medicine and Research, Delhi, who made many valuable suggestions and gave constructive advice in my research work. He has always very understanding and helpful. His invaluable guidance and professional approach were largely responsible for the finalization of the thesis.

Special Gratitude goes to Mr. Neeraj Kumar, Mr. Thakuri Singh, Mr. Harish Rawat, Mr. Anil and all the technical Staff of INMAS for providing numerous help and support during my research.

I express my thanks to Mr. Mushtaque and Mr. Abid for their invaluable help in handling and operating the instruments in central instrumentation facility (CIF).

I express my special thanks to all my seniors, batch-mates and juniors of Ph.D. Pharmaceutics; Dr. Shah Faisal, Dr. Sajid Ali, Dr. Nawazish, Dr. Rizwan, Dr. Waquar, Mr. Aftab Alam, Dr. Naushad Alam, Dr. Faiyaz Shakeel, Dr. Bhavna, Dr. Kalam, Dr. Shaheen, Mrs. Hema, Mrs. Fatima Hassan, Dr. Sheikh Shafiq-un-Nabi, Dr. Khalid Anwer, Dr. Javed, Dr. Adnan, Mr. Rauf, Dr. Neelu, Dr. Bali, Rabea Parveen, Dr. Ozair Alam, Rashid Ali, Mr. Shadab pathan, Rahila, Musarrat Hussain, Dr. Aftab Turki, Neeraj Kumar, Md.
