ACKNOWLEDGEMENT

I profoundly express gratitude towards my guide Prof. (Dr.) S. R. Yadav, who developed an interest in the field of taxonomy. He has always been more than a guide, inspiration and moral support during my work and I honestly acknowledge the valuable, precise and timely guidance readily provided by him during this investigation. I can't thank enough for the privilege he gave me by providing me with the opportunity to working under his guidance. The words shall not be enough to express for my gratitude towards him.

I am also very particularly appreciative of Prof. (Dr.) B. A. Karadge, Prof. (Dr.) G. B. Dixit, former Heads, and Prof. (Dr.) S. S. Kamble, Head, Botany department, Shivaji University, Kolhapur for providing the necessary laboratory facilities.

I am equally grateful to Dr. (Mrs.) U. S. Yadav, who has been continuous source of inspiration. She has provided fruitful suggestions and extended possible help to me through every phase of this work.

At the outset, I would like to thank teaching faculty of this department: Prof. P. D. Chavan, Prof. A.B. Sable, Dr. Mrs. M.M. Dongare, Dr. Mrs. N.S. Chavan, Dr. D.K. Gaikwad, Dr. R.V. Gurav, Dr. N.B. Gaikwad, Dr. Mrs. V.S. Rathod and Dr. V. A. Bapat whose suggestions were always useful to me.

I also express my sincere gratitude to Prof. A. R. Kulkarni, Dr. M. A. Wadood Khan, Dr. M.K. Janarthanam, Dr. M. S. Patil, Dr. K. N. Dhumal, Dr. S. S. Deokule, Dr. P. G. Diwakar, Dr. D. S. Pokale, Dr. V. S. Ghate and Dr. P. Laximinarashiham for encouragement and suggestions.

I am indebted to Dr. Milind Sardesai, Dr. C.B. Salunkhe, Dr. M.P. Bachulkar, Dr. V.B. Shimple, Dr. S.P. Gaikwad, Dr. Girish Potdar, Dr. Mayur Kamble, Dr. Anand, Dr. Anil, Dr. Arman and Dr. P.D. Mahekar for their constant suggestion and timely help.

I am very much thankful to Prof. D. N. Shinde, Dr. D. M. Jadhav and my all teachers for encouragement during my work.
I am very much thankful to Jadhav Kaka and Dr. Mrs. N. A. Jadhav for their support, their home was like a field station for me during my work.

I am privileged for having as my colleagues, Dr. Nilesh Malpure, Dr. Shankar, Dr. Vasanta Kahalkar, Vinod, Makrand, Manoj, Shreyas, Damu, Shrikant S., Tushar, Anjali, Swapnaja, Shital, Kranti, Rani, Sandeep P., Shrikant G., Naveen kumar, Umesh K., Hemant, Avinash, Sharad, Amol, Mahesh mane and M. Sc. students who have provided great company and nice time during my work.

I would like to mention sincere thanks to my seniors, colleagues and friends Dr. Nilesh Pawar, Dr. Mansingraj Nimbalkar, Dr. Sandeep Pai, Dr. Vinayak Kedage, Dr. Mandar Datar, Dr. Swaroopa Ghatage, Firdose, Dr. Rajaram Patil, Mr. Vishwas Chavan, Mayur, Umesh J., Jay, Rahul, Uday, Babu, Vishal, Shakil, Parth, Raju, Guru, for their cooperation.

I would like to mention my friends Anup, Vivek, Amol, Abhishek, Swapnil, Vikas, Shree, Hemant, Ravi, Subhas and Harsha for their inspiration and cooperation during field tours.

I am thankful to Department of Biotechnology (DBT), New Delhi, for financial support during the course of this work under species recovery of \textit{Hubbardia heptaneuron} and \textit{Ceropegia fantastica} project.

My unlimited thanks to all the people that I met during my Ph.D. for their pleasant company, conversations, helps and friendship.

I owe my special thanks to all non-teaching and mali staff from the Department of Botany whose direct or indirect co-operation during the entire course was valuable.

I am thankful to my family specially my father, mother, brother, sister and Ishwari for the support and for putting up with me for all this time.

Last but not least I am thankful to all my well-wishers.

Mr. Arun N. Chandore
