ACKNOWLEDGEMENTS

It is a pleasure to express gratitude to my scholarly guide Dr. Aradhita Ray, Professor, (chairperson), Department of Food Technology, Guru Jambheshwar University of Science and Technology, Hisar (Haryana), for her meticulous guidance, parental care, valuable scholarly suggestions and sympathetic understanding throughout the course of this study. I will always be indebted to her for her inspiring guidance, undeserved help, critical review and affectionate encouragement, which made me do justice to this academic enterprises and helped me grow as a researcher.

I am extremely grateful to my co-supervisor Dr. B.S. Khatkar, Department of Food Technology for evincing keen interest in the study, ever willing help and constant supervision during my investigation.

I am immensely thankful and convey my heartiest appreciations to Dr. Alka Sharma, Department of Food Technology, GJUS&TE, Hisar for her round the clock help, kind co-operation and valuable suggestions to me during the whole course of my study.

Furthermore, I would like to express my sincere gratitude to teaching and non-teaching faculty at Department of Food Technology at the University. I register my gratitude to Dr. Rajender Singh, Professor, Department of Food Technology, Dr. M.K. Garg, Dean, Department of Agriculture, and technical staff of C.C.S.Haryana Agricultural University, who extended their cooperation in making available information required for the study.

I must take this opportunity to record my deep sense of gratefulness of my esteemed parents, parent-in-laws and other family members, especially my father for their blessings, sacrifices selflessly made, active support and patience which was a constant source of inspiration to put this tireless venture as a fruitful result.

I am overwhelmed with sincere feelings of gratitude for my dear husband (Parvesh) for the many enlightening discussions. During the course of my study there were times when I felt
low spirits he then stood behind me and supported me in every possible way's. I owe a lot from my little son Abhimanyu @ Babu has always been the sunshine of my life, and has made me smile in most difficult times. His never ending patience provided me the time to reflect, recharge, and grow. This thesis is dedicated to him. It is a pleasure to acknowledge love and affection rendered by little angels my nephew (Aloo), Manav, Anshu, Akankshita and adwitiya.

My special thanks goes to my Uncle Mr. Hari Yadav, younger brother Sudhir, affectionate Bhabhi Namrata and my sister in-law Mamta for their for being there for me time to time and this task could not have been accomplished without their full support. The joyful and charming company of my friends Puja, Nidhi, Anita and Maya Aunty who always helped me in moments of despair, indeed was of great interest.

Finally, my heartfelt gratitude goes to the almighty God, the giver of life and wisdom for his providential guidance, protection and direction, which have made me what I am today.
