ACKNOWLEDGEMENT

With profuse pleasure and gratitude I express my sincere thanks and personal indebtedness to my guide, Dr. (Mrs.) Thilagavathy Darnel, Professor and Head, Department of Biology, Gandhigram Rural Institute, for suggesting this problem, her adorit guidance and valuable suggestions through out the course of this research work. I am very much indebted to her for her esteemed support and constant encouragement at every stage of this study. I thank her.

I would be failing in my duty if I don’t express my heartful thanks to Dr. Samuel Paul Raj, Professor and Head, Department of Natural Resources and Waste Recycling, School of Energy, Environment and Natural Resources, Madurai Kamaraj University, Madurai for his valuable suggestions, constant encouragement and constructive criticisms through out the course of this investigation.

I am extremely thankful to Dr. R. Kumuthakalavali, Dr. A. David Ravindran, Dr. M.R. Raj an, Dr. V. Anuradha and Mr. P.U. Mahal ingam, Department of Biology, Gandhigram Rural Institute, for their encouragement and help. I also thank Mr. S.Ravanappa, Technician, Department of Biology, Gandhigram Rural Institute, for his help.

I am very much grateful to Dr. M.N. Abubacker, Reader and Head, Department of Botany, National College, Trichy for identification of the fungal species and his kind encouragement.
I thank the municipal authorities for their co-operation and granting permission to collect data and I thank sanitary workers for their co-operation and help.

I owe heartiest thanks to Rev. Dr. Daniel and Mr. Selwyn Daniel for their whole hearted support throughout the course of this study.

A bouquet of thanks is also due to Dr. M.A. Jeyaraju, Professor of English, Gandhigram Rural Institute, for going through the manuscript.

I wish to express my overwhelming gratitude to the authorities of Gandhigram Rural Institute, Gandhigram for their kindness in allotting University Stipend.

I wish to record my deep sense of gratitude to Dr. N. Karmegam, Dr. S. Karuppusamy, Dr. R. Lawrence Xavier, Dr. A.S.S. Raj and Dr. K.P. Elango for their help and encouragement during the course of this study.

I render my sincere thanks to Mr. M.S. Myil Murugan, Mrs. B. Karunai Selvi and Mr. K.L. Vaiphei, Research Scholars, Mr. K. Manikandaswamy, attender, Gandhigram Rural Institute, Gandhigram for their encouragement and timely help.

I must express my indebtedness and deep sense of gratitude to Mr. S. Linga Raj and friends for their kind help.

I express my heartfelt thanks to my beloved parents and family members who have given moral support, sacrifice and encouragement throughout my carrier.

(J. AROCKIA JOHN PAUL)
