ACKNOWLEDGEMENTS

First of all, I acknowledge the grace of God, the source of my inspiration and energy.

I would like to express my hearty regards and lot of thanks to my guide Dr. Nandaben Patel, Associate Professor, P.G. Department of Economics, S.P. University, V.V. Nagar. She encouraged me and helped in planning and executing the research work in time. Without her guidance, this research work would not have been completed. Her overly enthusiasm and integral view on research and her mission for providing “only high quality work and not less than”, has made a deep impression on me. Her company and assurance during the time of crisis would be remembered me lifelong.

I wish to express my sincere thanks to Prof. Dr. D. J. Chauhan, Head, P.G. Department of Economics, S. P. University and Prof. Dr. H. P. Trivedi, Professor, P. G. Department of Economics and Dean, Faculty of Arts, Sardar Patel University, Vallab Vidyanagar for giving me the permission to commence this thesis in the first instance and made himself available for discussion and consultation during the course of the research work. I take this opportunity to thank other members of the Faculties and the administrative staff of this department for their timely help.

I am sincerely thankful to my principal Dr. S. K. Trivedi, City C. U. Shah Commerce College, Ahmedabad for encouraging me. Without his help and co-operation, I would not have been able to finish my research work. I am also thankful to my colleague Prof Dr. M. H. Maisuriya and all the professors at City C. U. Shah Commerce Collage for their assistance at the various stages of this work. I also express my deep feelings towards Prof. Neha Patel, N.R.B.B.A.College and Prof. Jayendra Jadav, Gujarat Commerce College for their valuable help. I have also been assisted by Shri Dharak Patel, Economics and Statistical Bureau for providing me technical support and help throughout various phases of the study. For this I am thankful to him. My special thanks to my friend Prof. Bina Shukla, associate professor, Department of English, City Commerce College, who helped me in my research work and gone through the draft and edited it. Her kind efforts making the language of my research work more lucid and communicative.
I am also thankful to all the officials of governmental and non-governmental agencies for providing me required literature and materials for this research work. My sincere thanks are also due to library of City Commerce College, Gujarat University, E.D.I. Bhat, I. I. M. Ahmedabad, A. M. A., G. C. C. I., Ahmedabad and S. P. University, V. V. Nagar.

I am also thankful to all the women entrepreneurs, for giving me co-operation in providing information of their enterprises for the study. They had given their valuable time. They are, indeed the key factors of the present research, without their help, I would not have been able to finish my work.

No words can adequately express my gratitude to my family. I am grateful to my husband Mr. Dilip Dave, for rendering me enormous support during the whole tenure of my research. His true spirit and sacrificing nature always motivated me to do good things in life. I have also been assisted by my daughter Dr. Medha Dave at the different stages of data analysis and computer work. For this I wish to express my feeling to her.

I am thankful to Prof Dr D. J. Chauhan, (Head) and the faculty members of PG Department of Economics, S. P. University who provided their valuable comments during my Pre-PhD presentation.
