CHAPTER II

DEMOGRAPHY

Figure II. 1.A Distribution of the Kayasthas according to age and sex (in number and percentage) 39

Figure II. 1.B Distribution of the Kaibartas according to age and sex (in number and percentage) 39

Figure II. 2.A Distribution of the Kayasthas in broad age group according to age and sex (in number and percentage) 41

Figure II. 2.B Distribution of the Kaibartas in broad age group according to age and sex (in number and percentage) 41

Figure II. 3.A Distribution of the Kayasthas according to broad age group and sex ratio (in number and percentage) 43

Figure II. 3.B Distribution of the Kaibartas according to broad age group and sex ratio (in number and percentage) 44

Figure II. 4.A Distribution of the Kayasthas according to marital status (in number and percentage) 46

Figure II. 4.B Distribution of the Kaibartas according to marital status (in number and percentage) 46

Figure II. 5.A Distribution of the Kayasthas according to educational status 49

Figure II. 5.B Distribution of the Kaibartas according to educational status 50
Figure II. 6.A Distribution of the literates and the illiterates among the Kayasthas (in number and percentage)

Figure II. 6.B Distribution of the literates and the illiterates among the Kaibartas (in number and percentage)

Figure II. 7.A Distribution of the Kayasthas according to working and non working status in various age group (in number and percentage)

Figure II. 7.B Distribution of the Kaibartas according to working and non working status in various age group (in number and percentage)

Figure II. 8.A(i) Distribution of the earner and dependant among the Kayasthas

Figure II. 8.A(ii) Sex wise distribution of the earner and dependant among the Kayasthas

Figure II. 8.B (i) Distribution of the earner and dependant among the Kaibartas

Figure II. 8.B (ii) Sexwise distribution of the earner and dependant among the Kaibartas

Figure II. 9.A Distribution of the Kayasthas according to different occupations (in number and percentage)

Figure II. 9.B Distribution of the Kaibartas according to different occupations (in number and percentage)

Figure II. 10.A Family type and composition of the households among the Kayasthas (in number and percentage)
CHAPTER III

FINDINGS OF THE STUDY

Figure III. 1 Age wise distribution of dead children (Kayastha/Kaibarta) 82

Figure III. 1(A) Sex wise distribution of dead children (Kayastha/Kaibarta) 83

Figure III. 2 Distribution of infant death according to cause (Kayastha/Kaibarta) 86-87

Figure III. 3 Antenatal care and infant death (0-3 years) (Kayastha/Kaibarta) 89
Figure III. 4  Type of food and rest of mothers during pregnancy and infant death (Kayastha/Kaibarta) 91
Figure III. 5  Special food and care during pregnancy and infant death (Kayastha/Kaibarta) 92
Figure III. 6  Intake of iron and folic acid tablets and infant death (Kayastha/Kaibarta) 94
Figure III. 7  Infant death according to immunization of mothers against tetanus (Kayastha/Kaibarta) 95
Figure III. 8  Instruments used to cut the umbilical cord and infant death (Kayastha/Kaibarta) 97
Figure III. 9  Birth interval and infant death (Kayastha/Kaibarta) 99
Figure III. 10  Infant death according to personnel attending delivery (Kayastha/Kaibarta) 100
Figure III. 11  Initiation of breast milk and infant death (Kayastha/Kaibarta) 102
Figure III. 12  Nature of first breast milk and infant death (Kayastha/Kaibarta) 103
Figure III. 13  Continuation of breast feeding (Kayastha/Kaibarta) 105
Figure III. 14  Type of supplementary food and infant death (Kayastha/Kaibarta) 106
Figure III. 15  Immunization of infant and infant death (Kayastha/Kaibarta) 108
Figure III. 16(A) Distribution of infant death by birth order (Kayastha) 111
Figure III. 16(B) Distribution of infant death by birth order (Kaibarta) 111

Figure III. 17 Infant death according to mothers age at first child birth (Kayastha/Kaibarta) 113

Figure III. 18 Education of mother and infant death (Kayastha/Kaibarta) 114

Figure III. 19 Occupation of mother including housewives and infant death (Kayastha/Kaibarta) 115

Figure III. 20 Occupation of father and infant death (Kayastha/Kaibarta) 117

Figure III. 21 Type of family and infant death (Kayastha/Kaibarta) 118

Figure III.22 Source of drinking water and infant death (Kayastha/Kaibarta) 119

Figure III. 23 Distribution of disease among the children of 0-3 years (Kayastha/Kaibarta) 121

Figure III. 24 Distribution of children (0-3 years) according to age and morbidity (Kayastha/Kaibarta) 123-125

Figure III. 25 Distribution of child morbidity according to sanitary system (Kayastha/Kaibarta) 129-130

Figure III. 26 Mid-upper arm/Head circumference ratio for age among the children of 0-3 years (Kayastha/Kaibarta) 134

Figure III. 27 Body Mass Index (BMI) of Kayastha/Kaibarta mothers 136

Figure III. 28 Weight for age among the Kayastha/Kaibarta infants 0-3 years 138
