Acknowledgement

First and foremost, I express profound thanks and gratitude to Dr. N. Subramonian, Principal Scientist, Division of Crop Improvement, Sugarcane Breeding Institute, Coimbatore for providing me the opportunity to pursue research, for believing in me and supporting me all the way to achieve this goal. It has been my greatest privilege to work under his eminent guidance. His patience, encouragement and immense knowledge were key motivations throughout my doctoral study.

I am thankful to Dr. N. Vijayan Nair, Director, Sugarcane Breeding Institute, Coimbatore for providing the resources and infrastructure for the study.

I would like to thank Dr. M. N. Premachandran, Head, Division of Crop Improvement, for his timely help and support to carry out this research work.

I would also like to thank Dr. Divya. P. S. for her support, in the form of lively discussions, and sharing her knowledge and experience which were of great help for my research.

I am extremely grateful to Dr. G. S. Suresha, Dr. C. Appunu, Dr. K. Lakshmi, Dr. J. Srikanth and Dr. M. Nisha who supported and encouraged me during my study.

I owe my deepest gratitude to Dr. R. Viswanathan, Dr. Ramesh Sundar, Dr. Malathi, Dr. A. Selvi, Dr. K. Hari, Dr. Jayakumar and Dr. Neelamathi for extending the laboratory facilities.

My sincere thanks to all the Scientists of Sugarcane Breeding Institute, especially, Dr. B. Singaravelu, Dr. C. Sankaranarayanan, Dr. Jayanthi, Dr. Prathima and Dr. Karpagam for their cooperation and support.

Thanks are due to Mrs. Ramadevi, Technical Officer, for her constant support and help in carrying out the field work. I also thank Mr. Shanmuganathan, Librarian for extending the library facilities. I am also thankful to Dr. Balakrishnan, Mrs. Subhadra and Mr. Karuppasamy of ARIS cell for their support.

I am immensely grateful to Mrs. Amudhavalli for her assistance in planting and maintenance of glasshouse facilities. Thanks are also due to Mr. Dhanraj and Mr. Manickaraj for their support and help.

I would like to convey my heartfelt thanks to Dr. RaffeeViola for her assistance in tissue sectioning and Mr. Gopinath for helping in Cytoscape work. I thank all the staff of Sugarcane Breeding Institute, especially the administrative officers, technical officers, accounts officers for their cooperation and support throughout my tenure of research.
I also thank **Dr. Sathish Kumar**, Assistant Professor, Bharathiar University and the former research scholars of Plant Genetic Engineering Laboratory, **Dr. Rajeev** and **Dr. Varghese** for their support and encouragement.

I sincerely thank the Scientists of Institute of Forests Genetics and Tree Breeding, especially, **Dr. B. Nagarjan**, **Dr. R. Yasodha**, **Dr. Modhumita** and **Dr. Mathish** for their constant support and guidance.

My heartfelt thanks to the former PhD students of our lab **Dr. M. Saravanakumar**, **Dr. Leela Amala Christy**, **Dr. M. Kanchana**, **Dr. S. Arvinth**, **Mrs. V. Shanmugapriya** (late), **Dr. Anna Philip**, **Mrs. Sruthy Maria Augustine** and **Mrs. P. Harunipriya** who were helpful in several ways throughout my research work.

A special thanks to my labmates **J. Ashwin Narayan** and **Dharshini** who helped and supported me in the final stages of my study.

I have always been blessed with wonderful friends throughout my life. My heartfelt thanks to **Parthi, Chinna, Ashwin, Kaveri, Leo, Nanda, Naveen, Stanley, Senthil, Sarath, Nithi, Rajesh, Muthu, Sreeram, Sathy, Elamathi** and **Bhagya** who were always ready to help me. I can never forget the memorable moments shared with them during the study.

A special thanks to my friends **Dharani, Selva, Sundari, Venkat, Bala, Subha, Dr. Priya and Dr. Radha** of IFGTB for their immense help and support. I thank my friends at IIHR, Bangalore, **Dr. Chandrashekara**, **Mrs. Meenakshi**, **Mrs. Sowmya**, **Nirmal**, and **Ajay** for their encouragement. I also thank my dear friends **Poova, Arvind, Ravi, Mani, Swarna, Vinoth, Ravee, Dinesh, Venkat, Krish, Praveen, Vidi, Gays, Senthee and Keerthi** for their support.

I also thank the project and short term trainees of our lab, **Saranya, Elakkiya, Subha, Abdul, Jayant, Balaji, Sandhya, Anushya, Sarath, Anunanthini, Anisha, Radhesh, Reena, Adhi, Jai, Nandhini** and **Udhay** for their assistance during my research program.

I am grateful to the Department of Biotechnology for the funding and Indian Council of Agricultural Research for providing the necessary infrastructure and support.

I am deeply indebted to my parents **S. K. Mohan** and **M. Valarmathi** for their kind support, the confidence and the love they have shown to me. They are my greatest strength and I am blessed to be their son. I also thank my brother **Jairaj** for being a good friend and companion all my life.

Lastly, I would like to express appreciation to my beloved wife **Sharmila** for her love, patience, encouragement and faith in me.

---
