ACKNOWLEDGEMENT

First of all, I owe my debt to God, the Almighty, by whose blessings, I have been able to complete another chapter of my life.

My heartful gratitude goes to my Guru Sant Jora Singh Ji Lopon who guided me to start PhD and blessings me with real education.

It gives my heart joy unspeakable to rise in response to the motivation rendered to me by my revered research supervisor Dr. Joginder Singh Rana, Associate Professor, Govt. College of Education, Patiala under whose invaluable guidance, careful attention, constant encouragement, pain taking efforts, patience, penetrating criticism and insightful suggestions, this research has conceived, developed and executed. I feel privileged, that a visionary, enlightened and a sensitive human being, has supervised my research work.

I am fortunate enough that I got an opportunity take support and guidance from Dr. Kulwinder Singh, Reader, Department of Education and Community Service, Punjabi University, Patiala, who lives and oozes research. Indeed the words at my command are inadequate in form and in spirit to express my deep sense of gratitude and overwhelming indebtedness to sir, for his sagacious and aluminous guidance, sympathetic attitude, excellent spirit, unfailing help and untiring willingness through out the entire course of work.

Acknowledgement of deep appreciation is extended to Dr. Meenakshi, Head of Department of Education and Community Service, Punjabi University, Patiala for providing all sorts of facilities required for conducting this investigation.
I owe special thanks to all the faculty members of the Department of Education and Community Service, in whom I always found an embodiment of knowledge and constructive criticism during my research work. I am highly thankful to Prabhdyal Sir and Madam Rupinder for their kind co-operation.

The encouragement and inspiration that Dr. Daljit Singh, Principal, Mukat College of Education, Rajpura and Dr. S.C. Gakhar, Ex. Prof. Panjab University, Chandigarh has rendered, are worth thanking and appreciating.

I offer my sincere thanks to the staff of different libraries, Headmasters and elementary school teachers of Punjab for their generous co-operation. I express my gratitude to all the authors and educationists whose works have been consulted freely.

I am highly thankful to General Secretary, Bawa Nihal Singh B.Ed. College, Muktsar, Rana Saravpal Singh Bawa for their unstined support and patronage in my career. Heartfelt thanks are due to all the colleagues and galaxy of friends specially, Harsh, Archana and Parmod Didi, Dr. Sarabjeet, Kuldeep, Daljit and Kamal for extending invaluable support for my research work.

I am also thankful to Mahindru Sir, from Computer Department P.U. Chandigarh, who tabulated and calculated my data.

It is my pleasant duty to place on record my thanks to my in-laws especially my father-in-law S. Darshan Singh and Insaf Singh and sister-in-law Rajwinder and brother-in-law Harsimrat, Manpreet Brar, for their good wishes and fourth coming support without which it was difficult to complete this research.
My heart overflows with gratitude to my father S. Zora Singh Sandhu and mother Smt. Balbir Kaur for always raining blessings on me and showing unconditional faith in all my endeavours.

I express my soulful thanks to my brother Daya Sandhu, Gurpreet Sandhu and Bhabi ji Harbhajan and Hardeep for their love, support and continuous encouragement. I am thankful to my cousins Sukhraj, Raaghbir and Gurpreet who helped me in data collection.

Mr. Manjit Singh (M.G Cyber Café, Near Deep Hospital, Opp. Punjabi University, Patiala) deserves special thanks for typing the thesis with precision, patience, diligence and personal involvement.

I am thankful to Sandeep care taker of my children, who look after them in my absence.

Finally, hats off to my husband and my children for shouldering all responsibilities and tolerating my chronic absence from home front. My vocabulary fails to express gratitude to my life partner, S. Shaminder Singh Sidhu for his constant care, personal involvement, keen interest, sympathetic attitude, moral support and persistent encouragement throughout the period of research work.

My special thanks are due to my loving daughter Kirat Mohpal Kaur Sidhu and my son Amitoz Singh Sidhu, who remained neglected during the present research, whose love, affection and sacrifice has given me the strength to complete this work. The success of this work will be as much theirs to own and celebrate as mine.
