   Media influences and Entrepreneurial orientation
   Exposure to social skills and Entrepreneurial Orientation
   Vocational interests and Entrepreneurial orientation
   Influence of Education and Entrepreneurial orientation
   Influence of Motivation, demographic variables and Entrepreneurial orientation

Hypotheses

CHAPTER-III 94-102

METHOD
Sample
Description of tests
Administration and scoring
List of variables
Statistical Analyses

CHAPTER-IV 103-138

RESULTS AND THEIR DISCUSSION
Mean and Standard Deviation of related variables
Inter-correlation between variables
Factor analysis
Step wise Multiple Regression analysis
Discussion of Results

CHAPTER-V 139-149
