Acknowledgement

I acknowledge with deep sense of gratitude & humility, the inspiring help and guidance rendered by my supervisor, Prof. P.C. Garg, Department of Statistics, Punjabi University, Patiala for his interest and encouragement throughout the research programme. His deep insight and ability to provide constructive suggestions have been of immense value in improving the quality of my research work at all stages.

I also owe a special debt of gratitude to Dr. M.K. Sharma, Professor and Head, Department of Statistics, Punjabi University, Patiala for his keen interest in the research work and providing me the necessary facilities available in the department.

I am grateful to Dr. S.B. Singh, Head, Department of Mathematics and Dr. R.K. Nagaich, Professor, Department of Mathematics, Punjabi University, Patiala for their great cooperation and help.

I would like to thank all my colleagues in the Department of Statistics, Punjabi University, Patiala for their cooperation and valuable suggestions.

My colleagues Dr. Shally and Ms. Shalini Gupta, lecturers in Department of Mathematics, Punjabi University, Patiala have been very supportive of this endeavor. My special thanks go to Dr. Renu Kapila, Head, Department of Public Administration, Punjabi University, Patiala for her moral support and encouragement.
I express my gratitude to my husband Dr. Vinod, Assistant Professor, Mechanical Engineering Department, Thapar University, Patiala for his countless efforts and constant inspiration throughout the research work. My sincere thanks are due to my mother-in-law and father-in-law. Their blessings and support has made this work possible. My special thanks go to my loving kids Ritika and Gautam for giving me new energy and motivation whenever I feel tired during the research work.

My firm faith in the Almighty God has led me to face all the problems with a smile, and helped me to cross all the bridges which came my way during this journey of success. I would like to thank God for not letting me down at the time of crisis and showing me the silver lining in the dark clouds.

Last, but not the least, my parents and siblings deserve special mention for their love, affection and blessings showered on me to undertake and successfully complete this research work leading to Ph.D. degree.

(Neelam Kumari)
Lecturer
Department of Statistics
Punjabi University, Patiala.
