Acknowledgement

Research in the era of science and technology, is a joint effort of many people particularly in the nature of present research work. I would like to sincerely thank my guide Dr. B. D. Dhila, Associate Professor, Department of Psychology, Smt. M. M. Shah Mahila Arts college, Kadi.(Gujarat), for accepting me as research scholar and for countless opportunities to learn and experience. Without his continues, consistent encouragement and timely valuable advice and guidance, it would have not been possible for me to complete this work. I can’t say thanks enough to him for his keen personal interest, painstaking nature, support and help which gave salutary effect to materialize this work.

I am beholden to Honorable Vice Chancellor, Shree Harshadbhai Shah, Children’s University, Gandhinagar for helping me in pursuing my investigation and encouragement at every odd moment during this research. I extend my sincere gratitude to him.

Prin. Dr. N. M. Pethani, President of Gujarat State School Text Book Board, Gandhinagar, his continuous guidance, direction and encouragement throughout the research period. He took enormous interest in my work and provided me all the support and moral strength, required to successfully complete the research. I deeply owe him for continuously nurturing my endeavor with the motivating inspirations.

Words seem smaller to express my feelings for Jyotiben Thanki Without her motivation, encouragement it would have been impossible for this work to a successful completion.
