LIST OF TABLES

Table 3.1: Sampling Frame       68
Table 3.2: Norms for Interpreting the ET Skills       71
Table 3.3: Norms for Interpreting the Attitude Scores      76
Table 4.1: Department-wise Availability of ET Materials       92
Table 4.2: Item-wise Data of ET Materials in Ferdowsi University Iran       93
Table 4.3: Item-wise Data of ET Materials in University of Mysore       96
Table 4.4: Department-wise Percentage of Students having Access to ET materials       99
Table: 4.5: Itemwise Percentage of students having Access to Educational Technology in Iran   100
Table: 4.6: Itemwise Percentage of students having Access to Educational Technology in India   101
Table 4.7: Level of ET Skills of Postgraduate Students   102
Table 4.8: Department wise Students Mean Score on ET skills   104
Table 4.9: Descriptive Statistics of Postgraduate Students Attitudes Towards Use of ET   105
Table 4.10: Level of Attitude of Postgraduate Students towards the use of ET

Table 4.11: Department wise Scores on Attitude of Postgraduate Students

Table 4.12: Difference in the Attitude of Postgraduate Students

Table 4.13: Department-wise Percentages of Students Utilizing the ET Materials

Table: 4.14: Itemwise Percentage of Students Utilizing ET Materials in Iran

Table: 4.15: Itemwise Percentage of Students Utilizing ET Materials in India

Table 4.16: Extent of Utilization of ET Materials

Table 4.17: Department-wise Extent of Utilization of ET Materials

Table 4.18: Correlation Showing the Relationship between the Variables Utilization of ET and Attitude

Table 4.19: Correlation Showing the Relationship Between the Variables Utilization and Academic Performance
