ACKNOWLEDGEMENTS

For turning my words in to meanings I owe my deep-felt gratitude to my Guide Prof. R. Ramachandra. This dissertation owes much to the provocative questions he posed and the scintillating discourses he gave on our long walks. His mentorship also conducted me to the inspiring presence of his own teachers Prof. C.D. Narasimhaiah and Prof. U.R. Ananthamurthy. I cherish the affectionate blessings and suggestions I received from Prof. URA and the late Prof. CDN.

I am deeply indebted to Smt. Bama, Dr. Rajeswari Chatterjee, Smt. Mahaswetadevi, and the late Dr. Indira Goswami with whom I interacted during my research period.

It is my pleasant duty to thank the SC/ST Cell, Univ. of Mysore, for providing me the FIP facility.

My special thanks are due to Sri. Kumarappa of the National Library, Kolkata, for helping me to collect both primary and secondary material; and to his family for providing hospitality during my stay in Kolkata.

I also wish to record here my thanks to the University Library, Mysore; PG Centre Library, Hassan; District Library, Hassan, from where I drew many of my source books.

I cannot adequately thank Prof. Talwar, Vice-Chancellor, Univ. of Mysore and Prof. Shashidhar Prasad, former Vice-Chancellor, Univ. of Mysore for their support and kindly enquiries regarding my progress.

To Prof. C.N. Srinath and Smt. Jayasri Sanjay who helped me access books in their institute Dhvanyaloka, I am grateful. Of particular use to me were the books that Smt. Jayasri lent me from her personal library.

To my senior colleagues Professors Mahadev, K.T. Sunitha, K.M. Chandar, Sebastian Dasan, M.H. Rudramuni in the Dept of English, Univ. of Mysore, I am thankful for their various acts of kindness.
I have had the good fortune of receiving the encouragement and support of many. Foremost among these are: Prof. Vasudev, Director, Hemagangothri, Univ. of Mysore, and Prof. S.N. Vikram Raj Urs, Academic Dean, KSOU, Mysore. My heartfelt thanks to Prof. Rajendra Chenni, Kuvempu Varsity, Shimoga, Prof. Abhijit Mitra, Burdwan University, Smt. Hemalatha Mathad, Smt. Vijayalakshmi, Dr. Netrarani, Smt. Srivalli, Dr. Namrata and Dr. Sumana and my own colleagues in Hemagangothri, Hassan.

Gratitude would be a meagre expression for the love and support I received from my parents, sisters and brother.

I should be failing in my duty if I did not acknowledge my debt to Mr. B.K. Venkatesh for his prompt and efficient DTP work.
