Acknowledgements

First and foremost I would like to thank, "The Almighty", The God for the blessings and mercy that enabled me to complete this research project successfully.

It is my privilege to express my indebtedness and deep sense of gratitude to my guiding teacher, Dr. Mandava V. Rao, Professor and Head, Department of Zoology, Course Director, Biomedical Technology and Human Genetics, School of Sciences, Gujarat University, Ahmedabad, for giving me an opportunity to undertake this course under his dexterous guidance and for introducing me to the field of research. His keen interest, constant encouragement, valuable suggestions, constructive criticism, esteemed supervision and magnanimous suggestions resulted in the successful accomplishment of this task. Without him it would not have been possible to see this world with a correct scientific vision.

My sincere thanks to all the staff members of the department including Dr. Sunita Chawala, for their valuable suggestions during this Research work.

I am highly grateful to Mr. Rajendra N. Bhatt and Ms Dhara Vyas for their concern about my research work and constant assistance and outstanding cooperation rendered during the whole course of research work. Especially without his invaluable support and assistance, it would not have been possible to finish this task.
Thanks to all my senior and junior research young colleagues for their valuable suggestions and necessary help rendered during the course of work.

I wish to express my sincere affection and thanks to my wife Dear Swarnalatha, lovely sweet daughter Bhavika and emotional beloved son Jayanth for the their blessings, moral support, love and selfless sacrifice hardships in order to fulfill my ambition of completing the research mission without which I could never reached these heights. I am also thankful to my patents Shri Meda Anjanuyulu and Smt. Meda Kameswari Devi for their love and blessings helped me in this Hercules task. I also thank my family friend, Dr. U. Radhakrishna for his cooperation and suggestions. I warmly thank and appreciate my brother -in-law Mr. A.V.V.L. Narayana for his moral and spiritual support in numerous ways to me and my family. I am grateful to my Late Grandparents Shri Alla Peddanna and Smt. Alla Nagaratnamma for their blessings which helped me to reach this height of life.

Raveendrababu Meda.
