ACKNOWLEDGEMENTS

The satisfactions, which accomplish a successful completion of any task, are incomplete without the mentioning of the names of those people who makes it possible.

First of all, I would like to express my deepest gratitude to my Research Guide Dr. P. K. Patel, Associate Professor, and Research Guide, Department of Chemistry, M. G. Science Institute Ahmedabad and Shri JIT University Jhunjhunu, Rajasthan and Dr. Tushar G. Barot for his constant help, unflinching guidance, critical comments, helpful suggestions and constructive criticism extended to me during the course of this study.

I would like to express my deepest respect to Dr. Tushar G. Barot Senior Analytical Scientist (USA), Mr. Himmat Patel, Plant Head of RPG Life Science Ltd, Mr. N. M. Sheth, QC Manager of RPG Life Sciences Ltd for providing Laboratory (HPLC, Column, Reagents etc.) and other necessary facilities, at all stages of this research work.

MY STRENGTH

Blessings of GOD are always with me for every propitious creation in my life. I worship his love and care through which he has showered achievement and happiness upon me.

This compilation of mine would have never been existed if I were not fortunate enough to receive the support of my grandfather and grandmother, Late Mr. Vimal Prasad Gupta and Srimati Ganeshi Devi. They are the source of my inspiration, and their image is the substance of my identity.

Whatever I am, the success which I have achieved and the Master's Degree which is been entitled to my name would have never been without the motivation of my family. I am deeply indebted to my beloved Father, mother and Lovely brother, Shri K. C. Gupta, Smt. Brinda Gupta, Mr. Vinay K. Gupta, Vijay K. Gupta and Yashank Gupta for his motivation and loving support.
I am heartily thankful to my elder brother Mr. Vinay Kumar Gupta (CDSCO) for guidance, suggest and support in all stages of life.

I would like to extend my heartiest regards to my colleagues and my dear friends Mr. Manish Patell (Asst. Manager at RPGLS), Yogesh Rana, Himanshu, Ashwin, Sangram, Darshan, Mr. Satayendra, Abhay, Pooja, Amit, Gautami, for their help, support, interest and valuable hints in my research work.

I extend my thanks to my friends and room-mate Mayank Patel and Mr. Nitin Sharma for constant encouragements throughout my dissertation work.

It is the love, faith, and care of these dear friends of mine, that has strengthened me in this work of mine. It is they who have never let me down even in the hardships of my life and have always reminded me of my goals.
