ACKNOWLEDGEMENTS

I thank God Almighty who has directed my life this far and provided for my every need. All in all I have been blessed of God. God has been so good to me and has brought me from far and has provided all that I have needed to walk this journey. I praise my God for showing me favour and I will live to glorify Him and sing of His mercy and faithfulness for He has been a good God.

Though this dissertation is an individual work, I could never have reached the heights or explored the depths without the help, support, guidance and efforts of a lot of people. First and foremost, I would like to express my sincere gratitude to my guide Dr. R. Ezhil Jasmine., M.com., M.Phil., Ph.D for her valuable guidance, relentless support, constant advice and novel ideas throughout the entire preparations of this dissertation. Her enthusiasm and unlimited zeal have been major driving forces throughout my research work. I am highly indebted to her for spending time in spite of her hectic schedule and her experience gave me the light in handling the research work and helped me in clarifying the abstruse concepts, requiring knowledge and perception, handling critical situations and in understanding the objective of my work.

I would like to express my genuine gratefulness to Mr. T. Esakki., M.Com., M.Phil, Head of the Department of Commerce and other colleagues of T.D.M.N.S. College, T. Kallikulam for their insightful discussions and suggestions. I am greatly indebted to Dr. K. Pazhani., M.A., M.Phil., Ph.D for his appreciating attitude. Absolutely no words could express my gratitude to him. He has not only inspired me to do this dissertation, but also encouraged me to face the challenges ahead. It was a truly wonderful learning experience and I would also acknowledge
my colleagues for their help in the data collection process. My utmost thanks goes to all my colleagues for their overwhelming support and encouragement throughout the study period.

I express my sense of gratitude to the President Mr. D. R. Sabapathy Nadar, B.A and the Secretary Mr. M. V. Shanmugavel Nadar of Tirunelveli Dakshina Mara Nadar Sangam, for giving me an opportunity to serve for T.D.M.N.S College, T. Kallukulam. They have inspired me a lot in successful completion of this dissertation.

Many people have made sacrifices for me to get this far, but my family has borne a great deal. I am deeply indebted to my loving parents especially my Father Late Mr. M. Thangapandi since their love, affection and their support has helped me in achieving this level. I am always thankful to my mother Late Mrs. T. Pottukani who through her prayers did not allow any obstacles to come in my way and has left no stone unturned to see that I successfully complete my thesis. I would like to thank my wife Mrs. V. Indumathi, M.Com., M.Phil., M.BA for her help and co-operation in all my endeavour. In fact, her unwavering faith and confidence in my abilities and in me is what has shaped me to be the person I am today. I am very much thankful to my children V. Akjaya and V. Thanga Jegan for sitting with me day and night especially at the time of final drafting of the dissertation. They have helped me a lot at the time of tabulation of data.

I express my thanks to Dr. A. Lawrence Mary, Librarian of T.D.M.N.S College (T,Kallikulam) for providing me with relevant information from the beginning to the end of my research work. Besides I also thank the Librarians of Sarah Tucker College (Tirunelveli), Scott Christian College (Nagercoil), Manonmaniam Sundaranar University (Tirunelveli), Madurai Kamaraj University
(Madurai), Centre For Development Studies (Thiruvananthapuram) and the District Library (Tirunelveli) for helping me to refer various books, journals and magazines related to my study.

I am very thankful to my beloved friends G. Kumar, B.Com., and R. Murugan, M.Com., M.Phil who assisted me in numerous ways to make the project a success story. I also thank all my students who have helped me while administering the questionnaires. They have accompanied me to several places at the time of meeting consumers. In fact, some of my students gave their heart and soul while browsing internet to collect relevant secondary data. I thank the proprietors of petty shops and Super markets, who have permitted me to know details of different brands of tea.

Finally, I express an enormous amount of gratitude to all the respondents for spending their valuable time in answering the questionnaires.

T. VELPANDI
