ACKNOWLEDGEMENT.

I express my deep sense of gratitude to Dr. M.B.Karnik, professor of Education, Vivekanand College of Education, Ahmedabad, who guided me and encouraged me for four long years in my work.

I also feel much obliged for cooperation extended to me by Dr. B.B.Jani (Reader in Quantitative Methods and Economics, Gujarat University), Shri B.M.Muley, (Principal, Kalol Arts and Science College) and Prof. R.B.Shah (Head of Department of Economics, H.K.Arts College, Ahmedabad).

I am thankful to Shri D.S.Dave and Shri H.S.Buddhabhatti for their helps in computational works and Shri P.M. Shah, Architect, for the help of graphical presentation.

I am also indebted to the various Officers of the Government of Gujarat and Mahafashtra States, who have extended their cooperation to me. I express my gratitude to Prof. S.M.Tirmizi of National Archives, New Delhi, and also the Officers of the Central Government and library of the Parliament. Without their help, I could not have completed my work.

Pratibha A. Dave.
