PREFACE

I wish to extend my deep sense of gratitude to my thesis supervisor Dr. Ramprasad, Reader of the Department of Mathematics and Statistics, Dr. Harisingh Gour Vishwavidyalaya, Sagar, M.P. (India) for his abundant encouragement, moral support and valuable guidance, particularly for many helpful discussions concerning this research.

I express my sincere thanks to Professor S.K.Shrivastava and Professor P.L. Sharma for their generous help and guidance in completing this work.

I am thankful to my colleague Shri S.S. Rajput for their kind help and cooperation in completing this work, I am also thankful to Dr. Anil Bais, Shri Sunil Sharma and my all other colleagues.

The present dissertation consists of eight chapters; the main content of some chapters are already published and the other papers are also communicated for publication.

For financial assistance in the form of minor project the author is greatful to the University Grants Commission, New Delhi.

I owe my thanks to my parents for their constant help and encouragement throughout this work.

My heartiest thanks to my loving wife Rashmi for her spiritual, emotional and infatiguable inspiration in all the way of this work.

Dated June 1990

Abhay Khare
