ACKNOWLEDGEMENT

I express my gratitude and sincere thanks to my guide and supervisor Dr. S. John Vennison, Assistant Professor, Department of Biotechnology, Anna University of Technology (formerly Bharathidasan Institute of Technology), Tiruchirappalli – 620 024, for suggesting the topic, inspiring guidance, constant encouragement, advice and critical reviewing of the thesis. I also thank for the freedom and opportunity given by him during my research carrier. Without his academic and moral support may not able to complete my research work in the grand success.

I am grateful for the generous help and suggestions that I had with doctoral committee member Prof. P. Rajaguru, Department of Biotechnology, Anna University of Technology, Tiruchirappalli – 620 024 for his help and suggestions during my study period.

I am deeply indebted to the Honorable Vice Chancellor Dr. P. Devadoss Manoharan, respected Registrar Dr. J. Raja and respected Dean Dr. R. Krishnamurthy, Anna University of Technology, Tiruchirappalli for their all-time encouragements.

I express my sincere thanks to Dr. R. Selvaraj Pandian (Retd.), Professor and Head, Department of Zoology, The American College, Madurai; Dr. R. Paramasivan, Assistant Director, Centre for Research in Medical Entomology, ICMR, Madurai and Dr. M. Thiruvalluvan, Lecturer, Department of Industrial Microbiology, Thiagarajar college, Madurai for their constant encouragement during my carrier.

My sincere thanks to Dr. P. Suresh Kumar, Assistant Professor, Dr. V. Pugalenthi, Assistant Professor, Dr. P. Anandraj, Assistant Professor and Mr. T. P. Rajesh, Assistant Professor, Department of Biotechnology, Anna University of Technology, Tiruchirappalli, for their valuable suggestions during my study period.
I sincerely express my thanks to Dr. Subramanian, Assistant Professor, Department of Pharmaceutical Technology, Anna University of Technology, Tiruchirappalli for allowing me to use the HPLC facility and Dr. Sivakumar, Director, AUTRF, Anna University of Technology, Tiruchirappalli for their help and precious suggestions during my research work.

I am extremely thankful to Dr. Vasanthi Nachiappan, Professor and Head, Department of Biochemistry, Bharathidasan University, Tiruchirappalli; Dr. Babu Rajendran, Associate Professor, Department of Environmental Biotechnology, Bharathidasan University, Tiruchirappalli and Dr. Prem Kumar, Assistant Professor, Department of Biomedical Sciences, Bharathidasan University, Tiruchirappalli for their valuable suggestions and encouragement during my course work and research.

My fruitful thanks to Dr. Lakshmana Prabhu, Assistant Professor, Department of Pharmaceutical Technology, Anna University of Technology, Tiruchirappalli for the colossal help to successfully complete my exchange program.

My deep sense of gratitude and sincere thanks to my colleagues Mr. D. Immanuel Gilwax Prabhu, Ms. P. Sobana Piriya, Mr. S. Gowri Sankar, Mr. S. Venkatesh and Mr. B. Karpanai Selvan and for their help and suggestion during my study period.

I acknowledge the generous help rendered by my seniors Dr. A. Alwin Prem Anand, Hannover University, Germany; Dr. Ramkumar, Assistant Professor, SRM, Chennai and Mr. Rajaganesh, Research Trainer, IIBAT, Chennai for their kind help during my research work.

I wish to express my sincere thanks for their help and ideas received from my friends, Mr. Muthukumaran, Mr. Bharathiraja, Mr. Kanagaraj, Mr. Ganesh, Mr. Vijay, Mr. Muthukumar, Mr. Murali, Mr. Divakar, Mr. Vinoth, Mr. Karthikeyan, Mr. Arun, Mr.
Dass, Mr. Bala Murugan, Ms. Jothi, Mr. Mohan, Mr. Rajaram and Mr. Venkatesh during my study period.

My deep sense of gratitude and thankful to Mr. M. Senthil Mohan and Ms. G. P Rajapriya for preparing their help in preparing the figures for my thesis.

I am extremely thankful to Dr. Senthil Kumar, Mr. Thangavel and Mr. Rajesh for the supply of needed chemicals and glasswares at the appropriate time.

I wish to thank other lab members in our Department Mrs. Shalini and Mrs. Rajeshwari for their kind cooperation.

It’s my duty to thank the funding agencies Department of Biotechnology (DBT), New Delhi; Defence Research and Development Organization (DRDO), New Delhi and Council of Scientific and Industrial Research (CSIR), New Delhi for their financial support.

I place my heartfelt thanks to my parents and all my family members who had made me to pursue my studies. I am grateful to all who helped this venture a grand success.

P. Thirumalai Vasan
