ACKNOWLEDGEMENT

It is my proud privilege to express my deep sense of gratitude and heartfelt thanks to my supervisor Dr. (Mrs.) P. Rethy, Professor, Department of Forestry, North Eastern Regional Institute of Science and Technology (Deemed University), NERIST-Nirjuli, Arunachal Pradesh for her valuable guidance and supervision, constant inspiration, encouragement, constructive and healthy criticism throughout the research programme which enabled me to complete the Ph. D thesis.

I express my sincere thanks and gratitude to all the members of my Doctoral Committee, Dr. Karuna Shrivastava (Chairperson), Dr. O.P. Tripathi and Dr. S Sureshkumar Singh, Department of Forestry, NERIST, for their valuable and critical comments and suggestions during the course of my research work.

I express my sincere thanks and gratitude to Prof. C.L. Sharma, Professor and Head, Department of Forestry, NERIST, for his support, all Departmental infrastructure and help during the entire period of my work. I am also thankful to Director, NERIST for providing all facilities during the progress of my research work.

I also express my deepest gratitude and feelings of love to all the faculty members Department of Forestry, Prof. Binay Singh, Dr. (Mrs.) Madhu Sharma, Dr. P.P. Marry, Dr. P.R. Gajurel, Dr. Awadhesh Kumar, Dr. L.B. Singha, Mr. G. Pangging, Department of Forestry, Prof. P.P. Debral, Prof. K. N. Dewangan, Department of Ag. Egg. Dr. B. K. Singh, Department of Mathematics, Dr. S. K. Bhagat, Department of Electrical Egg. and my friends Dr. N.D. Singh, Mr. S.K. Chaudhary, Mr. Ratan Singh, Mr. Vinod Kumar, Mr. RNP Singh, Mr. Mohim Chutia and all the research scholars, Department of Forestry, for their timely helps and cooperation during the entire study period.

I am thankful to Dr. A. Arunachalam, Principal Scientist, Department of Agro-forestry, ICAR- New Delhi for his valuable suggestions during the investigation and preparation of the manuscript.

I have immense pleasure in expressing my deepest sense of gratitude and humble in debtiness to Prof. A. R. Singh, Former Professor and Dr. P. N. Katiyar,
Professor and Head, Department of Horticulture, CSA University of Agriculture and Technology, Kanpur, for permitting me to use the departmental infrastructure during Bio-chemical analysis required for research work and his guidance, painstaking efforts, keen interest and constant inspiration and constructive criticism.

Special thanks are also due to Dr. Shiv Kumar Katiyar, Associate Professor and Head, Department of Food Science and Technology, Bundelkhand University, Jhansi and Dr. Sunil Kumar, Principal Scientist (Horticulture), GSM Division, IGFRI, Jhansi (UP) for his contest help.

My thanks go to all, who helped me in various ways during the course of my research work and the people of Arunachal Pradesh for their help and kind cooperation during my field survey.

I appreciate the moral support received from my father, my wife (Smt. Gyan Vati Gangwar), Children (Nikhil Deo, Akhil Deo and Renu), all other family members and well-wishers whose love and affection, support and encouragement during whole period of my academic career. All my accomplishment is a reflection of their love and patience and I am highly indebted to them for whatever I have achieved till now.

I would like to convey my cordial thanks to all those who helped me directly or indirectly at each and every moment to complete this task.

NIRJULI

(Har Swaroop Gangwar)
