ACKNOWLEDGEMENT

I feel a deep sense of gratitude for my esteemed guide Prof. V.K. Dixit, M.Pharm.; Ph.D., for his able guidance and supervision throughout the research work.

I would like to express my sincere thanks to Mr. V.K. Mourya for his keen interest and continuous help in skillful planning and executing this research work.

My special thanks to U.G.C. are due for providing the monetary help by awarding the senior research fellowship to carry out the investigations successfully.

Thanks are due for Ranbaxy Ltd. for providing the drugs and carriers which were necessary for the project.

Further, I am thankful to Glaxo Labs, Nashik, for the help extended in carrying out the instrumental analysis.

In last, I would like to thank to Compfine Systems for providing computer help and all others who, directly or indirectly contributed their hands in making this project.
