ACKNOWLEDGEMENTS

First and foremost, thanks to the Almighty God who provided me with life, health, strength and opportunity to carry out this work.

It is my immense privilege, sincere and pleasant duty to acknowledge my deep sense of gratitude and indebtedness to my respected supervisor, Prof. S. Sreehari Sastry for his able supervision, stimulating discussion and keen interest throughout my research career. I owe him a great deal for his encouragement and help in readily sparing his valuable time whenever required.

I express my sincere gratitude to Prof. N. Veeraiah, Prof. D. Krishna Rao, Dr. J. Siva Rama Krishna, Dr. R. V. S. S. N. Ravi Kumar, Dr. M. Rami Reddy, Dr. Sandhya Cole and Dr. Ch. Linga Raju of Department of Physics, ANU, for their encouragement and moral support.

I am extremely thankful to Dr. Syed Maqbool Ahmed, Principal Scientific Officer, University of Hyderabad, Prof. D. Narayana Rao, Department of Physics, University of Hyderabad, Hyderabad, Prof. M. V. Rajasekharan, Dean of Chemistry, University of Hyderabad, for their help in recording the different spectra of glass systems.

My gratitude at this time extends most profoundly to Dr. G. Giridhar, Asst. Professor, Department of Nanotechnology, Acharya Nagarjuna University, for his renewed help and constant encouragement.

I am very much happy to acknowledge my research colleagues Dr. Sk. Babu, Dr. T. Vindhya Kumari, K. Mallika, B. Gowri Shankar Rao, C. Nageswara Rao, G. Tirumala Rao, for their help and maintenance of competitive lab atmosphere. I have often enjoyed our occasional and normal discussions in the lab. I would like to thank L. Tanuj Kumar, Sarma, S. V. Kumara Sastry, K. Parvateesam, Ibrahim, Suriya Suheb, for their encouragement.

I would like to thank every co-scholar working under the guidance of other professors in department of physics, who helped me either directly or indirectly during my research work. Also, I extend my thanks to the non teaching staff of Physics Department, ANU.
I am greatly indebted to Dr. K. Mohana Rao, Principal, and Management of V. R. Siddhartha Engineering College (Autonomous), Vijayawada, for providing an opportunity for me to carry out my research work.

My sincere thanks to Dr. G. Sridevi, Head of the department, Physics, V. R. Siddhartha Engineering College, Vijayawada, for supporting me in every way.

My heartfelt thanks to my senior colleague Dr. K. Narendra for his renewed help and constant encouragement.

I wish to place on record my sincere appreciation to my colleagues Mr. SK. Fakruddin babavali, Mr. Y. Nirmal Rajeev, Mr. B. Vijay Kumar and Mr. P. Naresh, of the department for their constant encouragement and support throughout this work.

I am highly grateful to my friend Dr. T. Anil Babu whom I have known from my graduate study to this day and always I would be grateful to him for providing recordings facility at Andhra University.

I find no words to express my gratitude to my parents Sri Y. Nageswara Rao and Smt. Y. Vijaya Lakshmi who gave inexhaustible support and their indefinite patience for betterment of my life in future. Without their patience, help, constant support and encouragement, I could have not fulfilled my education and secured present position. I extended my thanks to my wife Mrs. Madhavi, my son Chidvilas Venkata Sai, my brother Mr. B. Mohan Kumar, My sister Mrs. B. Geetha Prasanna and my friends Mr. N. Uday Chandar and Mr. D. Rama Krishna for their help, encouragement and silent co-operation throughout my Ph.D work.

B. RUPAVENKATESWARA RAO
