ACKNOWLEDGEMENT

First of all, I am extremely fortunate to express my deep sense of respect and gratitude towards my Research Supervisor and mentor Prof. Dr.P.Kalugasalam M.Sc., Ph.D., Professor and Head, Department of Science and Humanities, Tamilnadu College of Engineering, Coimbatore who has been the guiding force behind this work. I am heartily grateful to him for his constant encouragement, invaluable advice and for propelling me further in every aspect of my academic life.

Next, I am greatly indebted to express my respects to record my deep sense of gratitude and indebtedness to my Doctoral Committee members Dr.C.Kalaikaran M.E.,Ph.D.,Principal, Tamilnadu College of Engineering and Dr.A.Rajeeve Kannan Ph.D.,K.S.R College of Engineering Coimbatore for teaching me and also helping me how to learn. They have been great sources of inspiration to me and I thank them from the bottom of my heart.

My Special and heartfelt thanks to two pillars of life my father R.Kumarasamy, my Husband Mr.P.Karuppih MCA., who has been pillars of strength and without whose moral support and encouragement this work would have remained incomplete.

It is my immense pleasure to thank my Colleagues, friends, and students of Department of Computer Applications, Tamilnadu College of Engineering, Coimbatore for constant encouragement and help.
