ACKNOWLEDGEMENT

The author expresses his profound gratitude and sincere thanks to Dr. P. Perumal, Professor and Head, Department of Civil Engineering, Sri Ramakrishna Engineering College, Coimbatore for his valuable guidance, suggestions, constant support and encouragement throughout the period of this research work.

The author is grateful to Dr. P. Jayabalanan, Professor, Civil Engineering Department, NIT, Trichy and Dr. J. Maheswaran, Principal, Dr. Sivanthi Adithanar College of Engineering, Thiruchendur for their expert comments and valuable suggestions offered during periodic doctoral committee meetings. The author is thankful to Sri A. Johnsel Raja, Chairman, Jayamatha Engineering College, Aralvaimozhi for the permission, encouragement and facilities provided to carry out the research work.

The author expresses his sincere thanks to Dr. Benny Thomas, Principal & Sri R. Subramaniam, Manager, Jayamatha Engineering College, Aralvaimozhi for their kind support and constant encouragement to complete the research work.

The author expresses his heartfelt appreciation and thankful acknowledgement to his friend Dr. B. Thanukumari, Professor and Head, Department of Civil Engineering, Cape Institute of Technology, Levingipuram and all Staff and students of Jayamatha Engineering College, Aralvaimozhi for their constant encouragement during this research work.

The author is greatly indebted to his parents, his wife S. Veena, his daughter B. Gopika and his son B. Gowsik for their patience, loving support and encouragement without which this work would not have been possible.
