ACKNOWLEDGEMENT

Though only my name appears on the cover of this dissertation, a great many people have contributed to its production. I owe my gratitude to all those people who have made this dissertation possible and because of whom my graduate experience has been one that I will cherish forever.

It is a golden opportunity to acknowledge my sincere thanks and gratitude to Prof. Dr. N. PANCHANATHAM, Registrar, Prof. Dr. S. VELUSAMI, Dean, Faculty of Engineering and Technology, Annamalai University, for providing all the necessary facilities, support and encouragement during the course of my research work.

I express my deep sense of gratitude to Dr. K. KANNAN, Professor and Head, Department of Pharmacy, Annamalai University and Dr. R. MANAVALAN, Former Professor and Head, Department of Pharmacy for their constant encouragement, inspiration and cooperation during the entire period of my research work.

My first debt of gratitude must go to my guide, Dr. S. PARIMALAKRISHNAN, he patiently provided the vision, encouragement and advise necessary for me to proceed through the doctorial program and complete my dissertation. He has always given me great freedom to pursue independent work.

I am deeply grateful to my co-guide, Dr. SHEO PRATAP SINGH, for their support, guidance and helpful suggestions.

My very special thanks to the Dr. P.K. MANNA and Dr. G. P. MOHANTA, Professors of Pharmacy, Annamalai University, Annamalai Nagar for their valuable suggestions during my doctoral research work.
I express my deep sense of gratitude to Secretary and Director, UP State Medical Education & Training Department. Dr. Navneet Kumar, Principal and Dr. R. N. Thakur, HOD of Pharmacy, GSVM Medical College, Kanpur, UP, there for cooperation during the entire period of my research work.

Special thanks to member secretary, Safe Search Independent Ethics Committee, Dr. Rucha Majmundar Mehta for their support, guidance and helpful suggestions. Their guidance has served me well and I owe them my heartfelt appreciation.

My field study was made fewer obstacles ridden because of the presence of a few individuals, Dr. Devashish Sachan, Dr. Raghavendra Singh, Dr. Anjali, Dr. Arti Singh, Dr. Vishal Kumar Gupta, Dr. Manish Verma and Dr. Vinay Kumar. I would like to thank all of them, who helped me to identify the cases for case studies and each and every respondent of this study, their cooperation and inputs enabled me to complete this work.

I wish to thank Dr. R. B. Singh and Dr. A. K. Sharma, their love provided my inspiration and was my driving force.

I am also indebted to my friends Dr. N. K. Sachan, Dr. V. S. Gangwar, Dr. Veerendra Gangwar, Mr. Yatindra Kumar, Mr. A. K. Sachan, Mr. Sachin Katiyar and Mr. Pankaj Kumar not only for all their useful suggestions but also for being there to listen when I needed an ear.

A big “Thank you!” to Mrs. Sarita Singh, Dr. P. K. Singh and Dr. S. K. Singh who helped promote my questionnaire. Most importantly, none of this would have been possible without the love and patience of my parents, has been a constant source of love,
concern, support and strength all these years. I would like to express my heart-felt gratitude to my family.

Acknowledge the most important person in my life–my wife Mrs. Shalini Gangwar. She has been a constant source of strength and inspiration. Who spent sleepless nights with and was always my support in the moments when there was no one to answer my queries.

I would especially like to thank Mr. Akram Ahmed and Ms. N.Monisha, Pharm.D Students, Annamalai University, physicians, nurses, pharmacists and various diagnostic laboratories all of you have been there to support me when I recruited patients and collected data for my Ph.D. thesis.

Above all, I owe it all to Almighty God for granting me the wisdom, health and strength to undertake this research task and enabling me to its completion. Mmn
