INTRODUCTION                                           1 - 8

Chapter- I  ECONOMY OF UTTAR PRADESH                  9 - 50

- Population of State                                    11
- Climate                                                14
- Rainfall                                                14
- Plant and Animal Life                                  14
- The People                                             15
- Ethnic and Linguistic Composition                       16
- Settlement Patterns                                    16
- Largest Cities                                         17
- Demographic Trends                                     17
- The Economy and Resources                              18
- Agriculture, forestry and Fishing                       18
- Foodgrain production                                   21
- Electricity                                             24
- State Income                                           25
- Price Rise                                              29
- Present Position of Financial Investment                31
- Exports                                                 32
- Tourist Centres                                        33
- Transport                                               33
- Railways                                                33
- Aviation                                                34
- Minerals                                                34
- Industries                                              35
- District Level Udyog Bandhu                            38
- Sanction of Power Loom                                  39
- Agro Parts (Mussoorie Gulawati)                        40
- U.P. State Industrial Development                       40
  Corporation Ltd.                                        40
- Maga Integrated Industrial City near the               41
  Capital of Uttar Pradesh (NIKIDA)                        41
- Software Technology Parks                               41
- Textile City                                            42

- Industrial Area and Development                         44
  Centres Scheme                                          44
- U.P. Khadi and Gramodyog Board                          45
Chapter-II  COTTON TEXTILE INDUSTRY IN UTTAR PRADESH: ITS GROWTH AND PROBLEMS  51 - 90
- Pattern of Production  55
- Production of Fabrics in India  56
- The Output of yarn  58
- Trends in Textile Export  59
- Government Role in increasing Textile Exports  59
- Textile Industry and Its Role in the National Economy  61
- Handloom Sector  62
- Powerloom Sector  63
- Problems of the Textile Industry  63
- Textile Policy 1985  63
- The Three Sectors  64
  * Spinning  64
  * Weaving  64
  * Processing  64
- Cotton Textile industry in Uttar Pradesh  66
- Cotton and Yarn output in Textile of Uttar Pradesh  69
- Trend in Cloth Production  83
- Low Productivity of Textile Industry Causes  85
- Power Cuts Shortages  85
- Backward Technology and Lack of Modernization  85
- Sick Textile Industry  86

Chapter-III  COTTON TEXTILE INDUSTRY OF KANPUR: ITS GROWTH, PROBLEMS AND PROSPECTS  91 - 135
- Cotton Textile Industry of Kanpur  91
- Rise of Kanpur as Industrial Town  91
- Origin of the Industry  94
- Evolutionary Process  95
- After the Mutiny (First War of Independence)  96
- Prospects of the Industry  100
- Problems  103
- Change in Consumer Preferences  104
- Heterogenity  105
- Under Utilisation of Capacity  107
- Raw materials  109
- Plant Layout and Planning  114
- Obsolete Machinery affects Productivity  118
- Labour Problems  122
Chapter-IV

PROBLEM OF ABSENTEEISM AND LABOUR TURNOVER IN COTTON TEXTILE INDUSTRY IN UTTAR PRADESH WITH SPECIAL REFERENCE TO KANPUR 136 - 173

- Absenteeism and Labour Turnover 136
- Concept of Absenteeism 138
- Rate of Absenteeism 138
- Absenteeism and Lay-offs 141
- Evil Effects of Absenteeism 145
- Absenteeism in Kanpur Textile Mills 146
- Employees' Working Conditions 149
- Workers' Housing 151
- Occupational Health 152
- Employees' Welfare Activities 153
- Causes of Absenteeism 159
- Labour Turnover 163
- Reducing Absenteeism and Tardiness 166
- Causes of Tardiness 168
- Supervisor's Responsibility in Relation to Tardiness and Absenteeism 169
- Economic Losses due to Tardiness 170
- Means of Reducing and Caring for Tardiness 171
- Special Methods of Handling Tardiness 172
- Tardiness leads to Absenteeism 173

Chapter-V

CONCLUSIONS AND SUGGESTIONS 174 - 195

APPENDICES 196 - 217
