ACKNOWLEDGEMENTS

This research shall remain unaccomplished if I lack the attitude for a sense of gratitude to all those who have been closely associated with this thesis in their effort and energy to elevate this research, closest to the best produced papers: Whatever the shape of my indebtedness, most of it is related to the fact that all these people believed in my capability to achieve and my sincerity to a purpose.

- **Prof. (Ms.) Seema Javed**, chairman, Department of fine art, AMU, for her consistent monitoring of the work in progress, coupled with an excellent spirit of co-operation and valuable suggestions, in a pleasant and congenial academic environment.

- **Prof. (Dr.) A.M. Rizvi**, my guide and supervisor, for his sharp critical insights, active involvement throughout blended with the intellectual and constant interchange of concrete suggestions generating a very intense and stimulating climate for discussion, debate and dialogue.

- **Prof. (Ms.) Sartaj Rizvi**, Department of fine arts, for the zest and buoyancy that makes all the difference between doing things and doing them well.

- **Ar. Rajiv Biala**, practising architect and graphic designer who contributed graphic concepts with a vibrancy that speeds completion and enhances achievement besides redefining the conventional approach to presentation.

- **Ms. Anupama Wall**, my friend for her everlasting cooperation, sincere attitude, immense patience and knowledge of interpretation.

- **Mr. S.R. Manuja**, my beloved father, **Mr. R.R. Biala**, national award winner and distinguished educationist and **Mr. Arvind Biswas**, IAS for their unrepayable loans of guidance and providing me a sense of perspective with confidence and encouragement.
