ACKNOWLEDGMENTS

I pay my sincere thanks and indebtedness to my supervisor, Dr. Shahid Ali, Reader, Department of Mathematics, Aligarh Muslim University, Aligarh, for his constant encouragement, able guidance and valuable suggestions throughout the preparation of the thesis.

I am extremely thankful to Prof. M. A. Quadri and Prof. M. A. Pathan, former and present Chairmen, Department of Mathematics, Aligarh Muslim University, respectively, for providing the necessary facilities and creating a congenial atmosphere to carry out the present work. I am also grateful to Miss Uroos Fatima, Principal, AMU Girls High School, Aligarh for her interest and encouragement during the course of preparation of this thesis.

I take this opportunity to thank several of my coworkers in the department, discussions with whom have proved fruitful in clarifying many points.

Finally, I am grateful to the Aligarh Muslim University for providing me the study leave without which it would have been difficult for me to pursue and complete this work.
