ACKNOWLEDGEMENT

“I Bow in reverence to Almighty whose gracious blessings gave me required devotion for the Completion of this work”.

The years of earnest research has finally translated into a neatly written dissertation. The work of such magnitude is not possible without a network of support systems available to the research scholar. I am lucky and blessed to have been associated with people who lent me a helping and samaritan which emboldened me a lot to accomplish my research work and bring out this dissertation. Though mere words are not sufficient, they are all I have to acknowledge with deep gratitude the valuable support and co-operation of all the people whose names are mentioned below.

With immense pleasure and profound gratitude, I take this opportunity to express my most sincere, deep and heartfelt thanks to my supervisor Dr. S. Zainuddin Associate Professor, Department of Sociology and Social Work for his invaluable support, skilful guidance, continuous encouragement and scholarly directions that helped me in this work. He was always available to vouchsafe his help and guidance. But for his whole hearted guidance and supervision, it would have been difficult for me to accomplish this.

I also express my sincere and heartiest thanks to Prof. Abdul Matin, Chairman, Department of Sociology and Social Work, A.M.U. Aligarh for his support, and co-operation in the completion of my work.

I extend my sincere thanks to all the teaching and non-teaching staff of my department for their co-operation and encouragement. I am also thankful to the Librarian and staff of Maulana Azad Library, A.M.U. Aligarh, and staff of the Centre for Women’s Studies, A.M.U., Aligarh for providing me rich source of materials.

Words can only inadequately express my feeling of gratitude towards my friends and colleagues who were always by my side in moments of distress. I am grateful to all of them especially Anjum Arshi, Tarannum Khan, Ummey Salma, Farha Sultana Farooqui, Shazia Naseer, Narjis Mehmood, Roshina Yusufi, Yashmeen Tayyab for their kind support and encouragement they always showered on me in different ways.
I sincerely thank to all the members of my family for their co-operation during the preparation of my dissertation. I express my heartfelt gratitude to my parents. Without their prayers, mentoring, advice and even admonishment this accomplishment would have been only a far cry.

I feel immense pleasure to offer my profound gratitude to my loving brothers for their affection, guidance, inspiration and good wishes which helped me considerably in the pursuit of my work. I also wish to thanks my sister Ayesha khatoon whose blessings and ever smiling face was always a source of strength and encouragement for me.

Finally, let me thank to all my well wishers whose names though have not been mentioned, they always dwell in my heart.

Though a lot has been said, there is still more that remain to be said because the debt of this magnitude are not possible to repay. All I can say is that a significant part of this success belongs to each person mentioned above. This achievement is theirs as much as it is mine.
