Acknowledgements

Thanks to Almighty ALLAH first and foremost the Generous and the Merciful for endowing me with that capacity that made this humble effort possible.

First I would like to express my sincere gratitude to my supervisor, Professor Athar Ali Khan, Department of Statistics and Operations Research, A.M.U, Aligarh, whose consistent guidance and timely encouragements made this effort a reality. His excellent and valuable guidance, added with productive criticism, helped me a lot in producing this dissertation.

I sincerely thank Professor M.M Khalid, Chairman, Department of Statistics and Operations Research A.M.U, Aligarh, for providing necessary facilities to carry out this dissertation. I am also thankful Professor A.H Khan and Professor I.A Khan for the same.

I am willing to express my appreciation and regard to all the teachers of the department for their moral support and whole hearted cooperation.

I would like to thank UGC for awarding me Maulana Azad National fellowship with award letter number No.F.40-3(M/S)2009(SA-III/MANF)

I must not forget to mention Miss Binish Arif whose constant encouragement, like an elder sister helped me a lot in improving my work.

No words could adequately convey thanks to my best friend Sadhana Singh and my room-mates Shahana and Nazia and my friend Shameem, who have been a source of inspiration and encouragement for me.

I would like to thank Abdul Quddoos for his cooperation and help.

My sincere thanks to all the research scholars especially Sadia apa, Sanam Haseen, Neha Gupta, Tanvir Akhtar, Romana Shehla, Fatima, Sana for their
help.

I am highly thankful to all non-teaching staff particularly, Firoz bhai, Rizwan bhai and Zulfikar bhai for their valuable suggestions and encouragement.

Special mention must be made of my family members, especially my parents and my brother Asif Khan and Akib Khan, and my cousin Shabana Afroz without whose timely and constant encouragement and blessing I would not have reached this stage of my academic development.

Last but not the least, I am thankful to all those people who were directly or indirectly associated with this dissertation.

Yasmin Khan
