Acknowledgement
ACKNOWLEDGMENT

I am greatly indebted to my guide Dr. A. SANGAMITHRA, Assistant Professor Department of Economics, Bharathiar University, Coimbatore for being magnanimous in accepting, efficiently directing and guiding me in each and every step in this research work. I sincerely thank her for having given me an opportunity to work as a research scholar throughout the past years. I owe a special debt of thankfulness to her for continuous support to my research through her patience, motivation, enthusiasm, immense knowledge and tireless encouragement. Her precious and gleaming discussion helped me during the time of my research and writing of this thesis. It has been an honour to work with her.

It is my pleasure to express my profound thanks to Dr. B. Muniyandi, Professor, and Head of the Department of Economics and Prof. V. Anbumani, Professor and Head of the Department of Econometrics, Dr. K. Govindarajulu, Professor, Dr. B. Vanitha, Associate Professor, Dr. S. Boopathi, Assistant Professor and Dr. P. Shanmugam, Assistant Professor, Department of Economics, Bharathiar University, Coimbatore for assisting me in many ways during the process of this research.

My sincere thanks is ever due to Dr. R. Nagarajan, Associate Professor, PSG College of Arts and Science, Coimbatore for his constant encouragement and concern shown to me during my research period. I express my thanks to Dr. A. Audinarayana, Professor and Head, Department of Population Studies, Bharathiar University, Coimbatore for his invaluable help rendered during the research period.

I express my thanks to Dr. N. Savitha, Dr. G. Vanithamani, and Ph.D Scholars Mr. M. Raja, Mr. J. Jeyakkodi, Mr. R. Veerachamy, Mrs. N. Maneesha and M.Phil Scholars Ms. A. Vasanthi, Ms. A. Manimegalai and Mr. T. Loorthuraj for their timely help during my research work.

I am thankful to Dr. G. Bakthavathsalam, Chairman, KG hospital, for giving permission to collect data and I acknowledge Dr. Y.Y. Rao, Dean (Cardiology), Dr. G. Mohan Gandhi, who helped me to get the required information to complete this work. I express my sincere thanks to Dr. S. Sathish and Dr. V. Manoharan ICU unit KG for sharing their knowledge in framing the questionnaire regarding the medical concepts.
I am ever, indebted to Dr. P. Arumugam, former Professor, Department of Economics, Bharathiar University, Dr. A. Mary Elizabeth Angelina and Dr. A. Jayammal, Department of Economics, Nirmala Collage for Women, Coimbatore and Dr. A. Joseph Jeyapaul, Head Department of Economics, Loyola College, Chennai for their valuable contribution and intellectual support which helped me a lot for what I am now.

I am immensily obliged to the Management of Nirmala College for Women, Coimbatore for permitting me to carry on my research work. I owe my sincere gratitude to Rev. Sr. Savariammal, Principal, Nirmala College for Women, Coimbatore and Rev. Sr. Infanta, Controler of Examination for generosity in allowing me to completemy research work. I whole heartedly thank Dr. G. A. Rekha Pai, Head of the Department of Economics, Nirmala College for Women, Coimbatore for her constant support and encouragement during this research period. At this juncture I thank my colleagues of the Department of Economics, Nirmala College for Women, Coimbatore for having extended their support during my research.

This thesis would not have been possible without the endurance and support of my family. I am as ever indebted to my beloved parents Mr. I. John Alphonse and Mrs. A. Snega Mary who have made countless sacrifices and been a source of inspiration, encouragement and supported me throughout my research work. I express my gratitude to my beloved husband Dr. S. Henry Kishore, Assistant Professor, Department of English, Thiagarajar College, Madurai who has been a source of inspiration.

My sincere gratitude to all those who instructed and taught me throughout these years and my friends who have been part of my life. I express my thanks to Sree Kumaran Computers for the efficient and neat making of the copies of the manuscript. I take this opportunity to thank all the people who have helped me throughout the course of my journey towards producing this thesis.

This entire work was marvelously inspired and led by the Lord Almighty. His immeasurable and bountiful blessings, both directly and indirectly, through all the above dignified personalities have been immensely instrumental in this accomplishment. I owe Him, Lord Almighty.

(J. JACINTHA MARIA FLORENCE)
