ACKNOWLEDGEMENT

One of the joys of completion is to look over the journey past and remember all who have helped and supported me along this long but fulfilling road. It would not have been possible to inscribe this doctoral thesis without the help and support of the kind people around me, to only some of whom it is possible to give particular mention here.

Above all I bow my head before the Almighty God and thank him for this life and seek his guidance for the life hereafter. I express my sincere, honest, and deep thankfulness to the Almighty God whose blessings has been instrumental in this accomplishment.

I would like to thank my esteemed guide and supervisor Dr. R. Radhakrishnan, Principal, Anbu Arts & Science College, Komarapalayam, Namakkal, for his incessant guidance, perspicacious thoughts, constructive criticism, analysis, enthusiasm, inspiration, and his great efforts to explain things clearly and simply. Throughout my thesis writing period, he provided encouragement, advice, good teaching, good company, and lots of good ideas. His unflinching courage and conviction will always inspire me. It has been a great opportunity to work under such an experienced and caring teacher.

I owe my heartfelt gratitude and indebtedness to Dr. R. Radhakrishnan, Head of Department in Statistics, PSG College of Arts and Science, Coimbatore, for his dynamic guidance, magnificent analysis and support relating to statistical analysis of the study. The constructive suggestions, moral support, co-operation, motivation and wishes given by him during every stage of my research encouraged me to make a steady progress in this research.

My profound thanks goes to our honorable Vice-chancellor Dr.G.James Pitchai, Bharathiar University, Coimbatore, for his support and facilities extended throughout the period of this research work.

I wish to express my sincere thanks to Dr. P. K. Manoharan, Registrar, Bharathiar University, Coimbatore, Dr. K. G. Senthil Vasan, Controller of Examination, Bharathiar University, for their unstinted support to complete this dissertation work on scheduled time.
I am also extremely indebted to Dr. L. Ganesan, Director, Research and Development Centre, Bharathiar University, Coimbatore, for providing necessary infrastructure, guidance and resources to accomplish my research work successfully.

I gratefully acknowledge my indebtedness to Dr. R. Venkatapathy, Director, Dr. R. Shanmugham, Professor, Dr. P. Thirumalvalavan, Professor, Dr. V. Kubendran, Professor, Dr. S. Sankaranarayanan, Professor, Dr. Rupa Gunaseelan, Reader, Dr. V. Ramanujam, Assistant Professor and any other from Bharathiar School of Management, and Entrepreneur Development (BSMED), for being my Doctoral Committee member for giving valuable advice, constructive criticism and extensive discussions around my work.

I express my sincere gratitude to Dr. K. V. Kuppusamy, Chairman, RVS Educational Trust Coimbatore for having given me an opportunity to be a part of this esteemed Institution and for his care and support to undertake this research work.

I am reverentially grateful to Dr. P. V. Prabha, Director, RVS Institute of Management Studies, Coimbatore, without whose help and support, this project would not have been successful. Her valuable contributions made my research experience productive and stimulating even during tough times in the Ph.D pursuit. For her good will, scholarly guidance and timely help I shall always be indebted to her. She was always beside me during the happy and hard moments to push me and motivate me.

I wish to express my pleasured gratitude to Dr. J. Nirubarani, Professor & Head, RVS Institute of Management Studies, Coimbatore, for the co-operation, support, and wishes rendered throughout my study period.

I am thankful to my colleagues and friends Dr. B. Sripirabaa, Dr. P. Radha, Ms. D. Vijayalakshmi and Ms. V. Subha for their constant encouragement, valuable support, constructive suggestions and extensive discussions around my work.

Words are short to express my deep sense of gratitude towards my friends, relatives, colleagues and students for all the support and help that they have extended to me for the completion of this study.
Most of the results described in this thesis would not have been obtained without a close collaboration of the selected critical care nurses for study. I owe a great deal of appreciation and gratitude to all **Hospital authorities and Critical care nurses** who made possible the difficult task of ‘data collection’ easy for my research.

My loving thanks goes to my family, my adored grandfather **Mr. S. M. Raman** my dear mother **Mrs. M. R. Radha** my beloved husband **Mr. N. Siva Shankar** for their amazing support, blessings, constant encouragement and inspiration throughout my life and lifting me uphill this phase of life throughout. They raised me, supported me, taught me, and loved me.

It’s my fortune to gratefully acknowledge the support of my magnificent children **S. Vinisha** and **S. Sweeshaa** who are the meaning of my life and their silent encouragement and exhilarative paean to see me complete this endeavor. I owe everything to them.

Besides this, several people have knowingly and unknowingly helped me in the successful completion of this project. Thank you all for your insights, guidance and support!
