ACKNOWLEDGEMENT

"IN THE NAME OF GOD, THE MOST BENEFICIENT AND MERCIFUL"

This research is a conglomeration of support and encouragement of my teachers, colleagues and my friends who were always there to help me. I express my sincerest gratitude to my supervisor Dr. Rahat Ali Khan, Department of Psychology, A.M.U. Aligarh for the inspiration and invaluable guidance for my research work. I equally express my sincerest gratitude to esteemed Prof. Akbar Husain, Department of Psychology, A.M.U. Aligarh. In fact, I find myself short of words to express my feelings about him.

I feel immensely grateful to Prof. Shamim A. Ansari, Chairman, Department of Psychology, A.M.U. Aligarh, for his encouragement and moral support during the time of my research work.

I extend my thanks to Dr. W. Selvamurthy, Advisor, Bio-medical Labs, DRDO, Dr. U.D. Pandey, Director, Defence Institute of Psychological Research, DRDO, and Mr. N.P. Singh, Sc ‘D’, Defence Institute of Psychological Research, DRDO, for the direct and indirect encouragement, cooperation, and suggestions in terms of valuable ideas in concretising my research work. I am indeedly grateful to Defence Institute of Psychological Research, DRDO, Delhi, which offered me Junior Research Fellowship (JRF) for carrying out this research work.

I am deeply indebted to my family members especially my brothers – Nasim Ahmad, Jasim Ahmad, Faiyaz Ahmad, Babloo and Guddu for their constant support, without which I could not have achieved anything. My parents have always been a source of inspiration and pillars of hope to which I have always fallen back upon for support during the times of distress.
I owe a special debt of thanks to Dr. Nushrat Ali Khan and Dr. (Mrs.) Reshma Jamal for providing the valuable suggestions that were needed for my research work.

Above all I can not forget to express a note of thanks to my friends especially Humera Shafi, Shruti Katiyar, Shriti Sharan, Touseef Rizvi, Zafrul Allam, Khalid Hussain, Dr. Amod Kr. Singh and Basharat Mustafa for giving me kind support.

Lastly I owe a sense of gratitude to Mr. H.K. Sharma for the typing the manuscript with utmost concern.
