ACKNOWLEDGEMENT

Before extending my gratitude and thanks to those who have given me their assistance in this endeavour, I wish to remember on this occasion my teacher Professor Anwar Ansari whose acumen as a teacher and dignity and graciousness as a person have been a source of inspiration to me. I wish to pay homage also to Mrs. Mumtaz Jahan Maider, one of the most dynamic and loved figures this University has known, who was an important architect of my academic as well as personal life.

I feel a deep sense of gratitude to Prof. A.J.Qadri, Professor, Department of Psychology, for words of encouragement and advice that he has always bestowed on me, which have stood me in good stead during my work and also at various junctures of my life.

I am deeply grateful to Professor S.Sultan Akhtar, not merely in his capacity as Chairman, Department of Psychology but more so as my teacher who has always motivated me in my teaching as well as research. As Chairman, he made available various facilities and as my teacher his invaluable advice at various junctures for which I cannot find sufficient words to thank him.
I would also like to express my thanks to Dr. Qamar Hasan, Reader, Department of Psychology, for enlightening discussions particularly on methodological issues, which I feel were of immense help to me.

I am thankful to my students who, over the years, have enriched me academically as well as emotionally. In their own way, they have taught me much more than what they probably learnt from me. My particular thanks to my student, Mr. Mohd. Sultan Lone.

Mr. Ashfaque Ahmad, Lecturer, Department of Applied Mathematics deserves a very special vote of thanks for the pains that he took at the computer for my work. I am indeed very grateful to him.

There are no words with which I can express my indebtedness and gratitude to the office staff, Department of Civil Engineering. In consonance with the name of the Department, they were like strong pillars, which bore the burden of the structure very valiantly! Mr. Mohd. Islam, who took upon himself the computer printing and electronic typing deserves special thanks. His patience and conscientiousness was exemplary. Mr. S. Hasan Imtiaz, Mr. Abdul Muqeem Khan, Mr. Mansoor Husain, Mr. Iqbal Ahmad
Khan, and Mr. Khadim Abbas not only extended their co-operation, but the affection and involvement which they expressed has moved me deeply. I thank them all from the core of my heart.

I am also thankful to Mr. Wajihuddin, Seminar Librarian of the Department of Psychology for his co-operation and to Mr. Anwar Ahmad, and Mr. S. Salman Ahmad of the Department of Psychology for their help and goodwill.

Last, but definitely not the least, I am thankful to my family - my husband and my "three musketeers" for their co-operation, although I suspect that they did not mind my absence but rather enjoyed it, utilizing fully the opportunity of making a mess of my house without fear of censure.
