Acknowledgements

This present work is the outcome of the intellectual and personal assistance provided by a number of people, both inside and outside the Department. Grateful acknowledgement is made to all these people.

The investigator feels great pleasure in expressing her deep sense of gratitude to her esteemed supervisor, Dr. Sunita Sharma who has been kind enough to extend her competent guidance, inspiration, motivation, criticism and encouragement for preparing this manuscript.

I wish to express my profound sense of indebtedness to Prof Anwar Jahan Zuberi (Chairperson), Prof G.P.S.Ghauhan (Ex-Chairman) and Prof Najmul Haq Department of Education, A.M.U. who were kind enough in providing me valuable assistance and guidance from time to time.

I owe much to non-teaching staff of my Department, who extended all sorts of help and support to me throughout the process of completing this work.

Lastly I place my warm appreciation to all the respondents and officials who willingly provided the data for my field study. Their spontaneous cooperation facilitated the field work to a great extent.
