A TRIBUTE TO THE TEACHER

The teacher is a prophet.

He lays the foundations of tomorrow.

The teacher is an artist.

He works with precious clay of unfolding personality.

The teacher is friend.

His heart responds to the faith and devotion of his students.

The teacher is a citizen.

He is selected and licensed for the improvement of society.

The teacher is a builder.

He works with the higher and finer values of citizenship.

The teacher is a culture bearer.

He leads the way towards worthier tastes, saner attitudes, more gracious manners, higher intelligence.

The teacher is a planner.

He is always attempting the impossible & winning out.

The teacher is a pioneer.

He is always attempting the impossible and winning out.

Teacher is reformer.

He seeks to remove the handicaps that weaken and destroy life.

The teacher is a believe.

He has abiding faith in improvability of the race.
