I express my deep sense of gratitude to my research supervisor Prof. A. Ranga Reddy, Department of Economics, S.V. University, Tirupati for his able guidance, constant encouragement, suggestions, constructive criticism, stimulating discussions and keen interest through out the period of this study. I am really fortunate to associate with such an able teacher. The help and advise rendered by him are mainly responsible for the successful completion of the present work.

My deep gratitude to the Head, Faculty of Department of Economics who are involved directly or indirectly in the completion of this work.

My special thanks are due to Prof. L. Venugopal Reddy, Vice-Chancellor of Nagarjuna University, who introduced me to research and helped me several ways.

At the same time, I am very much grateful to the authorities of the Institute for Social and Economic Change (ISEC), Bangalore for providing me to participate the Research Methodology Course.

I am very grateful to Mr. S. Janardhan Reddy, Research scholar, who helped me in the collection of primary data and technical help in the preparation of tables, feeding the data processing, the draft, etc.

I am thankful to Prof. P. Balasiddamuni, Department of Statistics, S.V. University, for extending considerable help in statistical work.
My special thanks are due to the authorities of the Irrigation Department, Chittoor, Mandal-Revenue Officer of Somala, Irala, Pichatur and the respondents of study area for their patient response, cooperation and timely help in the collection of primary data at the time of field work.

I am grateful to my friends Dr. S.Venkatramana Ready, Post Doctoral Fellow, Dr. G.Raghava Ready, Assistant Statistical Officer, who supported me directly and indirectly in this venture.

I indebted to my beloved parents Smt. & Sri D.Pulla Reddy and my brother who stood behind my career.

I thank my colleagues Sri S. Reddenna Chetty, K. Ramesh and B. Gangulappa whose constant extended moral support and encouragement at all stages.

I also appreciate to Students Xerox, Tirupati for their help in computer processing and giving the final shape to this thesis.

Last but not the least I cannot forget the long hours of loneliness suffered by my wife Smt. D. Aparna and my daughter Danuja, while I was working on the thesis.

D. REDDEPPA REDDY
