ACKNOWLEDGEMENT

The investigator wishes to place on record his deep indebtedness and extreme gratitude to all the individuals and institutions for the help and co-operation that they extended to him in the conduct of the present study. Special mention is made here to the key persons who contributed greatly for the successful completion of the study.

At the outset investigator places on record his profound indebtedness and sincere thanks to Dr. P. J. Jacob, Professor, School of Pedagogical sciences, Mahatma Gandhi University, Kottayam, under whose guidance this study was carried out. His valuable suggestions, scholarly guidance, constructive criticism and constant encouragement at each and every phase of this study are whole-heartedly acknowledged.

The investigator is thankful to Dr. A. Sudharma, Reader-in-charge, School of Pedagogical sciences, Mahatma Gandhi University, Kottayam, for the facilities provided by her in the completion of this study. Thanks are also expressed to all the faculty members of School of Pedagogical Sciences, Mahatma Gandhi University, Kottayam, for their timely help in the different phases of this study.

The investigator is highly indebted to Dr. P. M. Jaleel, Former Professor and Director, School of Pedagogical sciences, Mahatma Gandhi University, Kottayam, for his valuable suggestions.

The investigator expresses his sincere thanks to Dr. Sam Sananda Raj, Professor and Head, Department of Psychology, University of Kerala, for providing his expert opinion and help in the construction of the Scale of attitude towards Science and also for the permission to use the Intelligence test for this study.

The investigator is thankful to Mr. A. T. Anil Kumar, Librarian, School of Pedagogical sciences, Mahatma Gandhi University, Kottayam, for making available the library materials needed for this study. The investigator is also thankful to the librarians of Mahatma Gandhi University Library, Kerala University Library and Calicut University Library.

The investigator would like to thank the heads, the teachers and the students of the secondary schools selected for this study, for their co-operation and help at the time of collection of data for the study.

Above all the investigator is bowing his head before God Almighty for his grace and guidance in the completion of this study.

JOSEMON P. GEORGE
