ACKNOWLEDGEMENTS

It is a great privilege and honour for me to express my sincere gratitude to Prof. A. Sreeranulu, my guide, whose meticulous supervision, critical suggestions and extension of proper working atmosphere has finally evolved into this research work.

I thank Prof. G. Rajendrudu, Head, Department of Botany, S.V. University, Tirupati, for providing me necessary atmosphere to complete the work.

I grope for words to thank Dr. G. Rama Gopal, Dr. G. Sudarshanam, Dr. N. Savithramma, Dr. N. Yasodamma, Faculty, Department of Botany, S.V. University, for all their good wishes and encouragement during the course of this investigation.

I thank Prof. G. Bagyanarayana, Department of Botany, Osmania University, Hyderabad, for his assistance in identification of Phylloplane saprophyses of the present study.

My indebtedness at a strictly personal level to my beloved venerable parents Sri N. Subbi Reddy, Smt. N. Parvathamma and grandfather Sri N.P. Subbi Reddy, for their unbound love, unparallel affection and dedicated efforts to educate me to this level is beyond my expression.

The present work would not have been completed with out the inspiration, encouragement, assistance and co-operation given to me from time to time by my research colleagues, Dr. D. Swapna Sree, B. Prasanna Lakshmi, S. Kamar Jahan and M. Bavaji.

The whole hearted encouragement, pleasant co-operation and splendid company extended by my dear friends Mr. A. Siva Sankar Reddy, Mr. M. Vijay Kumar Reddy, Mr. N. Shanmukha Reddy, Mr. C.L. Chenna Reddy, Mr.K.Prakash, Mr. N. Padmanabha Reddy, Mr. D. Madhava Reddy and Mr. D. Aditya are affectionately acknowledged.

Ultimately I am thankful to M/s. University Xerox management and staff for their typographical assistance in the preparation of the thesis work at right time.
