3.5: Implication of the Reviewed Literature for the Present Study 70
3.6: Summary 72

Chapter 4: RESEARCH METHODOLOGY 73
4.1: Introduction 74
4.2: Research Boundaries and Objectives 74
4.3: Research Design and Methodology 75
   Stage I: Development of the Conceptual Framework 76
      1. Library Research 76
      2. Design of Questionnaire/ Interview Schedule for Primary Data Collection 77
      3. Collection of Primary Data through Questionnaire/ Interview Schedule 80
   Representative Demographic Profile of Respondents 81
   Stage II: Statistical Testing and Illustrative Validation of the Framework through Case Studies 81
4.4: Data Analysis Methods 84
4.5: Data Presentation Format for the Recommended Framework 89
   a) Functional Relationship Presentation 89
   b) Pictorial Presentation 90
4.6: Summary 92

Chapter 5: DATA ANALYSIS AND INTERPRETATION 94
5.1: Introduction 95
5.2: Ranked List of Important KM Performance Measures 95
5.3: Analysis/ Observations on KM Measures for Various Data Sub-sets 99
   KM System Existing or Not 101
   KM Review Mechanism Existing or Not 102
   Area of Operation (IT Consulting or Other sectors) 104
   Indian Firms vs. MNCs 107
5.4: Discussion on Construction of the Framework of Performance Measures 111
   a) Functional Index KMPI 111
   b) Pictorial Presentation of the Framework 112
5.5: Illustrative Case Studies 112
5.6: Discussion on Optional/ Unstructured Responses 120
5.7: Summary 127

Chapter 6: CONCLUSION AND RECOMMENDATIONS 129
6.1: Introduction 130
6.2: Achievement of Research Aim/ Objectives 130
   Objective 1 130
   Objective 2 131
