ACKNOWLEDGEMENTS

I express my deep sense of gratitude to my Supervisor Dr. S.K. Barik, Reader, Department of Botany, North-Eastern Hill University, Shillong for his valuable guidance, constructive criticisms, and constant encouragement throughout the course of this study.

I am extremely obliged to my Joint Supervisor Dr. A. Arunachalam, Senior Lecturer, Department of Forestry, North Eastern Regional Institute of Science and Technology, for his constant inspiration, valuable guidance and keen interest throughout this study.

I offer my sincere thanks to Prof. N.K. Chrungoo, Head of the Department of Botany, North Eastern Hill University, Shillong for providing necessary facilities during the course of study.

I am also grateful to Prof. H. N. Pandey, Department of Botany, NEHU, for his advice and support.

I am thankful to the Director, North Eastern Regional Institute of Science and Technology, Nirjuli, Arunachal Pradesh and Dr. (Mrs.) P. Rethy, Head of the Department, Forestry, for providing necessary facilities during the study period.

My sincere thanks to Dr. M.L. Khan for his valuable suggestions and academic support as well. I am also thankful to all the teaching and non-teaching staff of the Department of Forestry, NERIST for their cooperation and goodwill.

I offer my earnest gratitude to Dr. K. Haridasan, FRLHT, Bangalore (former Systematic Botanist, SFRI, Itanagar) for identification of the plant specimens.

Help rendered by Mr. K.I. Singh and Mr. Panna Deb, G.B. Pant Institute of Himalayan Environment and Development, Vivek Vihar, Itanagar in identification of some of the plant specimens is appreciated and thankfully acknowledged.

I express my sincere thanks to the PCCF (Wildlife), Itanagar and, Field Director and Research Officer (Project Tiger Namdapha) for the permission to work and for providing necessary logistic support.

I am thankful to my project mates Mr. Roshan Sarmah, Mr. Mritunjay Majumder and Dr. Utpal Talukdar for their ungrudging help during the field studies.

Assistance of Mr. Intangam Singpho, Mr. Yong Singpho and Mr. Bhuvan Chakma in the fieldwork is also thankfully acknowledged.

My sincere thanks goes to my labmates Mr. Ashish Paul, Mr. Sourabh Deb, Mr. Atiqur Rahman, Mr. Baharul Islam, Mr. Kuldip Gosai, Dr. Lal Bihari, Dr. Hridip Sarma, Dr. Padmaraj Gajurel, Dr. Awadhesh Kumar, Dr. Ashalata and to all other research colleagues of the Department of Forestry, NERIST as well as G.B. Pant Institute of Himalayan Environment and Development, Vivek Vihar, Itanagar for their kind co-operation and help during the entire course of study. I also thank Mr. Jadav Saika, Mr. Bijit Basumaty and Mr. Moharam Ingti for their assistance during nethouse experiments.
I extend my sincere thanks to Dr. Krishna Upadhyaya, Dr. Om Prakash Tripathi, Miss Biswarupa Ghosh, Mr. Arun Chettri, Mr. Ratul Baishya, Mr. Mark K. Lyngdoh, Mr. Nigyal John Lakadong, Mr. Panna Das, Mr. Solomon Jeeva, Miss Evanylla K. Lyngdoh, Miss Jenpuiru Kamei and all other research scholars of the Department of Botany, NEHU, Shillong for their help and moral support.

I wish to offer my warmest thanks to Miss Tapati Das who at every stage of the study rendered incredible moral support.

It would have been impossible to complete this study without the constant encouragement, inspiration, love and support of my parents, sister Lily and brother Joydeep and so, I express my special gratitude to them.

Financial assistance received from the UNESCO-Mac Arthur Project in the form of a Junior Research Fellowship is gratefully acknowledged.

Last, but not the least, I thank Almighty God whose blessings has helped me in overcoming all the critical problems faced during the course of this study.

Date: 31st March 2006
Place: NEHU, Shillong
