I express my sincere and deepest gratitude to my research guide Dr. Aneykutty Joseph, Professor, Department of Marine Biology, Microbiology and Biochemistry, for the motivation, affectionate treatment, constant support and valuable guidance, I have received from her. Without her valuable suggestions and intellectual inputs, this thesis would not have seen the light of the day. I acknowledge her with immense gratitude.

I acknowledge Kerala State Council for Science, Technology and Environment, Sastra Bhavan, Pattom, Trivandrum for the financial support provided as KSCSTE Research Fellowship.

I remain thankful to Dr. A.A. Mohammed Hatha, Associate professor and Head, Department of Marine Biology, Microbiology and Biochemistry for providing me the necessary facilities in time.

I put into words my gratitude to, Dr. A.V. Saramma, Dr. Rosamma Philip, Dr. Bijoy Nandan and Dr. Babu Philip, faculty members, Department of Marine Biology, Microbiology and Biochemistry, for their support and motivation. I remain thankful to my dearest teachers for helping me to build a strong foundation in the subject.

I am thankful to the Director, School of Marine Sciences and the Dean, Faculty of Marine Sciences for allowing me to utilize the facilities of School of Marine Sciences.

I am greatly indebted to Dr. E.G. Silas, Former Vice Chancellor, Kerala Agricultural University, for the help rendered, at the most crucial point of my work. It is his strong recommendation, which made possible to carry out the molecular analysis required for the study, in a reputed laboratory like Central Genetics Lab, Rajiv Gandhi Centre for Aquaculture, Sirkažhi, Nāgapattinam, Tamil Nadu.

I am grateful to Dr. Anup Mandal, Scientist, Central Genetics Lab, Rajiv Gandhi Centre for Aquaculture, Sirkažhi, Nāgapattinam, Tamil Nadu for the support
and guidance provided to me for carrying out the molecular analysis. I thank him for the intelligent suggestions which aided me a lot during the thesis writing.

I remain thankful to Dr. Y.C. Thampi Samraj, Project Director, Rajiv Gandhi Centre for Aquaculture, Sirkazhi, Nagapattinam for allowing me to utilize the facilities of the Central Genetics Lab, RGCA. I also extend my heartfelt thanks to the Team CGL for their help and support during the analyses.

I record my gratefulness to Dr. S. Ajmal Khan, Professor Emeritus, Centre for Advanced Studies in Marine Biology, Annamalai University, Parangipettai for all the help rendered during my research period.

Ms. Alphi Korath, Associate Professor, School of Management and Entrepreneurship, Kerala University of Fisheries and Ocean Studies, Panangad, is specially acknowledged for helping me in the statistical analysis of the data and the interpretation of results.

I am greatly obliged to Dr. A. Mohandas, Professor Emeritus, NCAAH, Cochin for giving me constant encouragement, support and valuable suggestions, so that I could improve the quality of my work.

I will never fail to remember the timely help I received from my senior scholars Dr. M.P. Prabhakaran, Mr. Naveen Sathyam, Mr. Anil Kumar, Mr. Shyam Kumar, Ms. O.K. Sreedevi, Ms. Chaithanya E.R, (Research fellows, Department of Marine Biology, Microbiology and Biochemistry), throughout the period of research.

I am so thankful and lucky to get colleagues like Ms. Sheeja George, Ms. Gayathri A.P, Ms. Susanna Maria, Ms. Rajani S. Ganga and Ms. Neethu S.L for providing a highly innovative and genuine environment in the workplace which was very much constructive for research activities.

Sincere thanks to my fellow scholars Ms. Radhika R, Ms. Preethy Venunath, Ms. Asha C.V, Ms. Retcha Jaison, Ms. Rani Vaigheese, Ms. Jisha Kumaran, Ms. Emilda Rosmine, Mr. Jayachandran P.R, and Mr. Samu V.F for their support and encouragement.

I share warm and candid relationships with all the research scholars of my department and I individually thank each of them for their support and friendship.
Thanks a lot to my M.Sc classmates for giving me so much of their love and care and encouraging me whenever I was badly in need of them.

I sincerely thank the non-teaching staff, Department of Marine Biology, Microbiology and Biochemistry, for their support and timely helps.

I thank Mr. Manuel, Librarian, School of Marine Science Library, and all the library staff for their constant support.

Sincere thanks are due to the librarians of CMFRI, Cochin and KUFOS, Panangad, for permitting to make use of the library facilities.

I am especially grateful to Mr. Remanan, Mr. Hariharadas and Mr. Harshal for providing me the crab samples in time and I also thank their family members for their well wishes.

I record my thanks to Mr. Binoop Kumar (Indu Photos) and Mr. Abhilash (Computer Park) for all the DTP works.

I am short of right words to describe how fortunate and blessed I feel myself to have such loving and caring parents, Mr. T.K. Prabhullachandran and Ms. Sree Latha, who had been the motivation in all endeavors and I feel lucky to have them with me, always. Without those strong pillars of support and encouragement, I wouldn’t have finished this work successfully!! I am deeply indebted to them. Thanks for being with me.

I am forever indebted to my loving husband Mr. Vivek Sagar (Manager, Retail Assets, HDFC Bank, Kottayam) whose vision made me reach the great world of research. He made strong efforts to make me believe in myself, that “I can” and “I will”. Thanks for all the support, motivation, love and care showered on me. I would always remain thankful to him for being a compromising and understanding life partner.

I am deeply indebted to my grandmother Mrs. Janaki Kurup and my chitta Ms. Sreekala, who took care of my kid during my research phase. Special thanks to their love and prayers.

I am very much grateful to my little brother, Sree Shankar for his support and encouragement through the tough times of my work.
I am so much thankful to my mother in law, Ms. Preetha Varma, my sister in law Ms. Vidhya and brother in law Mr. Radhakrishnan for their immense love and motivation.

I humbly offer with prayers, my respect and gratitude at the feet of my father in law Late. Dr. Baby Sagar and my grandfathers Late. Mr. Chellappa Kurup and Late. Mr. Krishna Panicker whose heavenly blessings help me to achieve all the success in my life.

I take this moment to reminisce my Achamma Mrs. T. Suseela, all my family members, my cousins and well wishers for their blessings and prayers.

Thanks a lot to my dearest pals Elizabeth Manaly, Anu V.V, Krishnakumar, Maya Krishnan, Ajay Raj, Tintu Bharathan, Vijay Menon, Rahul S Nair, Blessilda Tishan, Devi Arun, Hari Krishnan and Kalyani Devi for their love and care. Thanks for being with me all the way through, helping me cross all the hurdles and giving me all sort of support, whenever I was down.

I am so much thankful to the sweet, charming kiddos, my nephews Appu, Kunjappu, Kichappu and Jagan for their innocent and lovely company that helped a lot to do away with pressure, at strenuous writing phase.

I am really humbled, saying thanks to my little angel, Meenakshi, who always wanted to help her mom in typing but ends up annoying me, misplacing all the required stuff. I am aware Meenutty, my research took lots of the precious time you deserved and I am here to say my sweet 'tonnes of sorry and thanks' to you.

Not but the least, I extend my heartfelt gratitude for all those good people whom I might have missed unknowingly but has helped me anytime, any way during my research work.

Once again, I thank my dearly loved mother, the pillar of my strength, who walked beside me throughout my research period, whose love, care and sacrifices made me reach this stage!!

Above all I thank “GOD”, the almighty without whose blessings this would never have been completed successfully

P. Lakshmi Devi
