Acknowledgement

First and foremost, I wish to express my endless thanks to Almighty ALLAH, the most benevolent and merciful, who blessed me for the timely completion of this dissertation.

I thank my Lord for giving me nice parents whose love, sacrifices and sustained efforts enabled me to acquire knowledge. Whatever I am today, it is because of their prayers, loving care and sincere endeavors. I cannot give them anything in return except a heart full of love, affection and deep reverence. No words could possibly express my deepest gratitude to my loving parents, and other family members who encourage me to believe in hard work and not to worry about the result.

I feel privilege in expressing my profound sense of gratitude to my respected and ideal teacher and supervisor, Dr. Nishat Fatima (Assistant Professor, Department of Library and Information Science), A.M.U Aligarh, for her unfailing support, valuable suggestions, and help at every step of my work. Her cooperation, vast knowledge, scientific temperament, critical evaluation, encouraging supervision had always been a constant source of inspiration for me.
I also express my gratitude towards my respected teacher Prof. Shabahat Hussain (Chairman, Department of Library and Information Science) and Mr. Syed Mustafa K. Q. Zaidi (Associate Professor), for his enlightening conversations and valuable suggestions during the course of completion of this dissertation.

I am also thankful to my esteemed teachers Dr. Naushad Ali P.M (Ex-chairman), Dr. Sudhama Haridasan (Associate Professor), Dr. Mehtab Alam Ansari (Sr. Lecturer) for their valuable suggestions and moral support.

I am also thankful to seminar staff Mr. Riyaz Abbas, Mr. Zahid Hasan and Mrs. Saba Nasreen Bano, who rendered great assistance to me in the collection for my materials and Mohd Asif Khan (Lab - In-Charge) who give assistance and help for my work.

Last but not the least, I would like to thank all my friends, classmates and well wishers for their support and help.
