ACKNOWLEDGMENTS

In the name of Allah, the Beneficent, the Merciful I am highly thankful to the Almighty Allah (S.W.T.), for the achievement of this research work. May He (S.W.T.) shower His choicest blessings on all those who have helped and supported me in it – Allah’s pleasure being my aim and it is He who guides us on the Right path.

I am highly grateful to Dr. S.M.Yunus. Gilani, the former Director of Shāh-i-Hamadan Institute of Islamic Studies, University of Kashmir who, at the very outset, guided me with his impressive supervision and direction. Presently he is engaged in a teaching assignment at International Islamic University Malaysia. May Allah (S.W.T.) grant him success in his mission.

I express my deep sense of gratitude to Dr. Manzoor Ahmad Bhat, Senior Assistant Professor at Shāh-i-Hamadan Institute of Islamic Studies, University of Kashmir who guided me after Dr. S.M.Yunus. Gilani’s departure from the university. Eventually under his excellent and incredible supervision and his knowledge of the subject matter I completed this research work.

I am pleased to thank Prof. (Dr.) Naseem Ahmad Shah, the Director of Shāh-i-Hamadan Institute of Islamic Studies, University
of Kashmir who facilitated my research work in all possible ways in an affectionate manner.

I am grateful to the teaching staff of the Institute, especially Prof. (Dr.) Hamidullah Marazi and Dr. Abdul Rashid Bhat (Associate Professor). I also express my thanks to Dr. Sheikh Jamil Ali and Dr. Nazir Ahmad Zarger. I also thank the members of the non-teaching staff working in the Institute.

To the Librarians of Departments of Arabic, Physics, Chemistry, Botany, Zoology and Allama Iqbal Library of Kashmir University, I wish to express my deep gratitude and great pleasure for encouraging me during my research period.

A special and exceptional kind of acknowledgement goes to my wife Shazia Siddiq who lodged great confidence in me. It was her amazing care, precious suggestions and her personal interest which made me competent to resist difficulties and hardships during my research period.

I am greatly indebted to my loving father Maulana Abdul Jabar Bhat who guided me particularly in the Hadith portion of this research work and my affectionate, loving and caring mother. My Lord, have mercy upon them as they brought me up when I was small. They showed me Right path and strengthen me with the fear of Allah (S.W.T.). In reality it was my parents’ influence that made me able to
pursue my research and finally which has resulted in the completion of this work.

My gratitude and acknowledgements are due to my brothers, Abdul Hafiz Bhat, Muhammad Salim Bhat, Abdul Muyid Bhat, Abdul Wajid Bhat and my sister Amira who supported and helped me in this work. May Allah (S.W.T.) bountifully reward them all.

My thanks are also due to my younger brother Muhammad Suhaib Kashmiri for typing and printing the work properly.
